Chapter 26 - TRASH HAULING

5-26-1: - Definitions.
5-26-2: - License Required.
5-26-3: - Application for License.
5-26-4: - Special Conditions and Restrictions of License.

5-26-1: - Definitions.

For the purposes of this chapter the following definitions apply:

Trash: Discarded materials including but not limited to household wastes, furniture, construction supplies and materials, garden, lawn and landscaping supplies and wastes, scrap wood, metal, or other materials, clothing and bedding. (See also Waste)

Trash Hauling: Any person, partnership, or corporation transporting trash for disposal and any fee or other compensation in the City of Englewood.

Waste: The term "waste" and "trash" have the same meaning for purposes of this Ordinance. (See also Trash)

(Ord. 97/98-11)

5-26-2: - License Required.

It shall be unlawful to perform trash hauling in the City of Englewood for any fee, charge or other compensation without first obtaining a license pursuant to this chapter.

(Ord. 97/98-11)

5-26-3: - Application for License.

The application for a trash hauling license shall be made in accordance with the provisions of Title 5, Chapter 1.

(Ord. 97/98-11)

5-26-4: - Special Conditions and Restrictions of License.

In addition to licensing conditions set forth in Chapter 1 of this title, the following special provisions shall apply.

A.
All vehicles hauling, transporting, or picking up trash shall comply with regulations relating to size, weight, and load as described in the Model Traffic Code for Colorado Municipalities as adopted by the City of Englewood.

B.
Participation in coordinated clean up programs is required. The license holder may participate by providing free pick up, reduced fees, or other incentives to citizens of Englewood as part of an ongoing effort to improve the quality of life in the City of Englewood.

C.
License holders must provide recycling services to citizens of Englewood as may be required by this Code.

D.
A license holder shall limit residential trash hauling and collection to Mondays and Wednesdays.

1.
In the event a work holiday falls on a regularly scheduled Monday or Wednesday, the residential trash collection shall be the following day.

2.
License holders shall provide an alternative plan for exceptions to the scheduled collection day based on severe weather or inadvertently missed customers. This schedule must be submitted with the license application and approved by the Licensing Officer before the granting of the license.

E.
The license holder must dispose of trash in a state or federally approved site or facility and the disposal shall not be in

violation of any federal, state, county or City rule or regulation.

F.

The license holder must notify the Licensing Officer of hauler's location for disposal and shall notify the Licensing Officer of any change in location within thirty (30) days.

G.

No license holder shall operate any trash compacting mechanism on any motor vehicle nor shall a licensed hauler engaged in any trash, rubbish or garbage collection activity between the hours of ten (10) p.m. and seven (7:00) a.m., when such compacting or collection activities takes place within or across the street or alley from a residential district or within three hundred feet (300′) of a hotel.

H.

Insurance Required. License holders are required to maintain the following levels of insurance:

1.

All motor vehicles used in the operation of the licensed business shall be insured under the laws of the State of Colorado.

2.

The license holder shall at all times have Comprehensive General Liability Insurance with a minimum combined single limit of liability for bodily injury and property damage of one million dollars ($1,000,000.00) per occurrence and in the aggregate.

Failure to maintain such insurance or to provide such evidence on request shall be cause for immediate revocation of the license.

I.

Transfer. Trash hauling licenses are not transferable.

(Ord. 97/98-11; Ord. 99-17; Ord. No. 00-86)
