5-25-2: - License Required.
5-25-3: - Special Application Requirements.
5-25-4: - Special License Requirements.

5-25-1: - Definitions.

For the purposes of this chapter the following definitions apply:

Canine and Feline Breeder: Any person who, outside of his regular course of employment, is breeding purebred dogs or cats in an attempt to improve the breed through controlled propagation, thus achieving carefully desired qualities and traits. Except that the owner of dogs or cats held solely for stud does not qualify as a canine and feline breeder.

(Ord. 97-80; Ord. 02-26)

5-25-2: - License Required.

It shall be unlawful to be a canine and feline breeder in the City of Englewood without first obtaining a license pursuant to this chapter.

(Ord. 97-80; Ord. 02-26)

5-25-3: - Special Application Requirements.

In addition to application provisions in Title 5, Chapter 1, applicants for a canine and feline breeder's license shall also comply with the following:

A.
Obtain signatures from each adjoining landowner expressing consent and acknowledging that they have no objection to the issuance of the license; and

B.
Any additional information required by the Licensing Officer concerning the physical facilities and equipment on the licensed premises.

(Ord. 97-80; Ord. 99-17; Ord. 02-26)

5-25-4: - Special License Requirements.

In addition to all other requirements of Chapter 1 of this title the following special license requirements apply:

A.
The license holder may not maintain more than:

1.
Five (5) dogs or cats over six (6) months of age, or

2.
Twenty (20) puppies or two (2) litters, whichever is greater, whelped and transferred in any twelve (12) month period, or

3.
Twenty (20) kittens or two (2) litters, whichever is greater weaned and transferred in any twelve (12) month period.

B.
The licensed premises must be maintained in clean and sanitary condition in accordance with the laws of the City of Englewood, Arapahoe County, or the Tri-County Health Department or the State of Colorado.

C.
All animal waste must be disposed of in accordance with Colorado State Department of Health Regulations.

D.

Adequate ventilation for the facilities must be maintained at all times.

E.

Adequate nutrition and humane care and treatment must be provided to all animals on the licensed premises.

F.

The licensed premises and records must be open for inspection by authorized City of Englewood personnel at any reasonable time.
