

Kindle

Works With: Kindle eReaders & app for reading Kindle **eBooks**

-
1. Use Kindle browser (Kindle Fire) or a Mac or PC to access the Englewood Public Library catalog at englewood.marmot.org.
 2. **Search** for a specific eBook by title, keyword, or author.
 3. To check out an eBook selection, click on the gray “**Check Out**” button to the right of the title. If book selection is already checked out, you will see “**Place Hold**” button instead (click to be emailed when the title becomes available).
 4. At download screen, pick the **Kindle Book** format and click download.
 5. You will be redirected to **Amazon.com**. Click the **Get Library Book** button. Login to Amazon or create a new account to continue.
 6. Choose to read the eBook on your Kindle device, free reading app (can be downloaded from **Amazon.com** onto a PC or mobile device), or Kindle Cloud Reader.

***A USB cable is required for non-wireless transfers from computers to eReader or mobile devices.**
