Electronic Recyclers International: 6750 East 46th Avenue, Dr., Unit #400, Denver, CO, 800-884-8466  
Oxford R2 eCycle. 2303 W Oxford Ave, Sheridan, CO 80110. 303-781-1089

**DOCUMENT SHREDDING:**

Shred Nations has several locations throughout the Denver metro area that accepts personal documents to be shredded. [www.shrednations.com](http://www.shrednations.com) or 1-800-747-3365

**FLUORESCENT LAMPS:**

Littleton/Englewood Wastewater Treatment Plant: 303-762-2600 for information and hours. Household quantities are collected. Liquid mercury and mercury containing devices also accepted. Lamps with green
tips are not hazardous and can be thrown away. Lamps with silver tips still need to be brought to the Household Hazardous Waste Roundup or the Littleton/Englewood Wastewater Treatment Plant.

**GASOLINE:**
Gasoline should never be poured down the drain, on the ground, or thrown in the trash. Contact Tri-Health Department (303-761-1340) to speak to a hazardous waste specialist. Find someone who can use the gas in a lawn mower or other small gas mower. You can also bring the gas to the Household Hazardous Waste Roundup in September of every year. Watch the City of Englewood website and the Citizen for further information.

**MEDICATION (EXPIRED OR SURPLUS):**
Do not flush or put down a drain! Keep medication in original packaging and put in the trash. Medications that enter the water stream are harmful to the environment. Some pharmacies will accept unused or expired medications, check with your local pharmacy.

**MERCURY:**
Englewood/Littleton Wastewater Treatment Plant (just north of Dartmouth on South Platte River Drive). Liquid mercury containing devices such as thermostats and fluorescent lamps are accepted. 303-762-2600.

**MOTOR OIL:**
Residential only - no commercial or business wastes accepted
Used motor oil must be free of contaminants - no gasoline, antifreeze, water, cleaning solvents or brake fluid.

**PAINT:**
Latex paint is no longer considered a hazardous waste and may be discarded in household trash when COMPLETELY DRY AND HARD. Leave lids off the can so trash hauler can see the paint is dry. For small amounts, open can and allow to air dry. For larger amounts, add kitty litter, stir and allow to dry; or pour a thin layer (about one inch) of paint into a cardboard box lined with plastic. Allow to dry. Continue layering and drying one layer at a time until all the paint has hardened. Home Depot has packets you stir into paint to harden it quickly.

Effective July 1, 2015 Colorado will be participating in a paint stewardship program. There are over 113 drop-off sites, to find a location near you log onto www.Paintcare.org and enter your zip code. THEY WILL ACCEPT LATEX AND OIL BASED PAINTS.

**PESTICIDES AND HERBICIDES:**
These products are poisonous to humans, pets, and wildlife. They should never be burned, buried, dumped on the ground or in water, or poured down the drain. Use the product according to label directions, give leftovers to someone who can safely use them, store until it can be used, or take to a hazardous materials program.

**PHONE BOOKS**
It is estimated that more than 1 million pounds of paper is dropped off, unsolicited, in each new round of phone book delivery. If you are looking to reduce the number or eliminate unwanted phone books, you’ll need to call the companies below and request removal from their delivery lists.

- **Dex Phone Books** 1-866-606-9339
- **Yellow Book** 1-800-929-3556
If you’re looking to recycle your phone books:
Dex - www.DexKnows.com/Green

Additional information on opting out of phone book delivery can be found at www.yellowpagesoptout.com

PROPAINE TANKS:
Englewood Propane: 1917 West Cornell Avenue, 303-761-8132
They will also take old grills.

SHIPPING MATERIALS
UPS Store: 3531 South Logan Street, 303-788-1898
Materials such as usable boxes, Styrofoam peanuts, bubble wrap are accepted.

SHOPPING CART HOTLINE
If you notice a stray shopping cart, please contact the store directly so that they can make arrangements to have it picked up.
Call City of Englewood Code Enforcement at 303-762-2323 if the carts are not picked up by the store in a timely manner.

YARD WASTE
Mountain States Wood Recycle: 2300 West Radcliff Avenue, 303-789-3356
Yard waste and items such as wood fencing is accepted.
Material from flower and vegetable gardens also accepted and encouraged.

TIPS ON HOUSEHOLD HAZARDOUS MATERIALS:
Buy only what you need and use all of the product for its intended use.
Consider using safer alternatives when available.
Store leftovers in the original container with the original label.
Give leftovers to a friend, neighbor, or community service organization.
Store all household hazardous products away from children and pets in safe, tight containers.

TIPS ON GOING GREEN AT HOME AND SCHOOL FOR KIDS AND ADULTS:

http://www.aaastateofplay.com/guide-to-going-green-at-school/
The Cities of Englewood, Littleton and Sheridan partner every September for the Household Hazardous Waste Roundup. Watch the City of Englewood website and the Citizen for more information as the event draws nearer.

*Keep Englewood Beautiful* has made every effort to identify local recyclers accepting household recyclable materials. Changes in policies and procedures do occur; please verify information with dealer.
