b. Rita Russell, an Englewood resident, recently requested department directors accumulative annual leave and expressed concern regarding City Attorney Dan Brotzman.

c. Tony Poole, an Englewood homeowner, thanked Council for their service and hard work. He especially wanted to thank them for naming the ballpark at Belleview Park after his father Jack Poole who was a long-time resident and volunteer for the City of Englewood.

d. Vicki Eibner, an Englewood resident who was also affected with the recent flooding, stressed to Council the dangers of the severe flooding and the need for the City to find solutions and help the residents of that area.

e. David Westfall, an Englewood resident, wants answers about the severe flooding. He stated his concern that other municipalities are over taxing our storm drainage system. He would like to see a commission put together to address these problems.

f. Laurette Barrentine, an Englewood resident, admonished Council for allowing the City Attorney to pay an outside law firm $1500.00 to avoid answering CORA requests on his annual leave balance.

g. Shaina Ferguson, an Englewood resident, would like to see the flooding issues in her neighborhood address. They are dealing with mold and mildew problems because of the drainage issues. Many people in her neighborhood do not have flood insurance and those who do already have too many claims. This flooding has occurred four times in four years.

h. Craig Ferguson, an Englewood resident, wants to know why the flooding issues started 4-6 years ago. The flooding creates problems with parking and is becoming dangerous. The water is coming as a flood and creating debris. He wants a response to the problem.

i. Emitt Reikstaher, an Englewood resident, addressed Council about Cannabis Clubs. He would like to work with Council to study how this could be a great opportunity for Englewood. He urged them to keep an open mind and looks forward to working together.
