"Come in, pull up a chair. Let's make memories." So reads the sign affixed to the plywood barrier separating the sidewalk of South Broadway from what will soon become Englewood Grand, a new bar scheduled to open in downtown Englewood at the end of February. Englewood Grand is the project of Phil and Erika Zierke, Englewood residents who are turning a former consignment camping-gear shop into a gathering place for neighbors, friends and employees of local businesses, including the nearby Swedish Medical Center.

Phil Zierke has been around the Denver bartending scene for some time now, having worked at the Candlelight Tavern and Horseshoe Lounge on the divey end of the spectrum and at Green Russell and Mercantile Dining & Provision on the posh end. Although he loves making creative cocktails, he says he's taking a wait-and-see approach to the kind of drinks his Englewood Grand customers will want. "If someone wants a Negroni with a shot of Red Bull, I'll give it to them," he jokes. "I won't judge."

The drinks roster will be split evenly between beer and spirits and will include a chalkboard list of house cocktails, Phil adds. For food, there will be enough crock-pot-style offerings — along the lines of vegetarian chili and loose-meat sandwiches (a Midwestern specialty similar to sloppy Joes) — to keep customers fed without distracting from the fact that the Grand will be a bar first and foremost.
Inside Englewood Grand with about a month to go.

To help build community, discounts will be offered to health-care and social workers, teachers and industry employees. "We just want it to be a classic bar," Erika explains. "As if maybe it's been around for 100 years or maybe it just opened."

The Zierkes also plan on giving employees an ownership stake in the bar. "We want people in the service industry who work for us to be able to support a family," Erika explains.

To help build the ambiance of the neighborhood bar they're envisioning, the pair are decorating the space with dark woods, including floor tiles made from end-cut wooden squares. Rather than buying a commercial product, the Zierkes cut 16,000 tiles from four-by-four posts and invited friends and neighbors in for a day of sanding in exchange for future free drinks.

Other design elements include benches recovered from the original Odd Fellows lodge two doors down and bathrooms that Erika hopes will be among the nicest in town.

With a recent changes in landlords on the block, there's now a bigger push toward historic preservation that could make downtown Englewood more of a destination neighborhood like Olde Town Arvada, she points out. Signs of change include a new Palango Fitness studio next door (in the original Englewood Herald office), a new craft brewery — Down House Brewing — going in a block over on Lincoln Street, and Devil's Head Distillery making a go of it just to the north on Acoma Street. Several other vacant addresses have "for lease" signs up in the windows, including the old El Tepehuan space, which could soon see a fun new Asian concept.

The Zierkes are aiming to open Englewood Grand by the third week in February and will throw a grand-opening bash in early April once business is in full swing.
The Joshua School, through its affiliated entity Joshua ALC, LLC, owns the property immediately north of the Korean Emmanuel United Methodist Church along University Boulevard north of Dartmouth Avenue. This property was divided into 4 single family lots called University Homes through the approval of a Planned Unit Development by the City of Englewood in 2002. The school would like to relocate its administrative offices and its adult life skills training program from their present location at 2303 East Dartmouth Avenue to the existing house at 3059 South University Circle.

The amendment of the existing Planned Unit Development (PUD) will require approval by the City of Englewood. The PUD process requires that we hold a neighborhood meeting prior to submitting our amendment application.

The purpose of the amendment is to add administrative offices and adult life skill training uses to the uses already allowed on the property which will not involve any significant changes to the exterior of the existing house. An important part of the process is to inform our neighbors and provide you with an opportunity to give us your input regarding our proposal. At the meeting, we will explain our proposal and receive any questions, concerns, or comments that you may have.

The date and location of the meeting are as follows:

**Date:** February 18, 2016  
**Time:** 6:30 PM  
**Location:** Korean Emmanuel United Methodist Church  
3095 S. University Blvd.  
Englewood, CO 80113  

Also attending the meeting will be Mr. Brook Bell, City of Englewood Community Development Department. Mr. Bell will be available should you have any questions regarding the City of Englewood’s PUD Process.

I am enclosing a list of Frequently Asked Questions (FAQs) regarding this process and a vicinity map for your information. We look forward to meeting with you.

1. Call to Order
The regular meeting of the Englewood Board of Adjustment and Appeals was called to order at 7:00 p.m. in the Englewood City Council Chambers, Chair Green presiding.

2. Roll Call
Present: Angela Schmitz, Carson Green, Tom Finn, Sue Purdy, Writer Mott, Jedidiah Williamson, Stacie Flynn (Alternate)
Absent: Randal Friesen (Excused)
Staff: Audra Kirk, Planner II
       Brook Bell, Planner II

Chair Green stated there were seven members present; therefore, five affirmative votes are required to grant a variance or appeal.

Chair Green stated that the Board of Adjustment and Appeals is empowered to grant or deny variances by Part III, Section 60 of the Englewood City Charter. Variances granted by the Board are subject to a 30-day appeal period. Variances are effective at the end of the appeal period. Building permits for construction associated with an approved variance will not be issued until the appeal period is ended. Building permits must be obtained and construction begun within 180 days of the variance’s effective date.

Chair Green set forth parameters for the hearing: The case will be introduced; applicants will present their request and reasons the variance should be granted; proponents will be given an opportunity to speak; opponents will address the Board; and then staff will address the Board. Staff will give a preliminary overview of the variance before testimony is taken.

3. Public Hearings
Case #VAR2015-014
Dana Steeples and Terence Brandon
2760 South Grant Street

Chair Green opened the public hearing stating he had proof of posting and publication. He introduced the case stating the applicants are requesting a variance to encroach 2 feet 8 inches into the required 3 foot side setback in order to construct an addition to an existing garage. This is a variance to Table 16-6-1.2 of the Englewood Municipal Code.

Audra Kirk, Planner II was sworn in. Ms. Kirk provided a brief overview of the property and the variance request.

Terence Brandon, 2760 South Grant Street, was sworn in. Mr. Brandon addressed the criterion. The Board did not have any questions for the applicants.
There were no other persons present to testify for or against the variance. Chair Green incorporated the staff report and exhibits into the record and closed the public hearing.

MOTION: THAT CASE VAR2015-014, 2760 SOUTH GRANT STREET, BE GRANTED A VARIANCE TO ENCROACH 2 FEET 8 INCHES INTO THE REQUIRED 3 FOOT SIDE SETBACK TO CONSTRUCT AN ADDITION TO AN EXISTING GARAGE. THIS IS A VARIANCE TO TABLE 16-6-1.2 OF THE ENGLEWOOD MUNICIPAL CODE.

Moved by Writer Mott Seconded by Tom Finn

With no further discussion, the secretary polled the members’ votes.

Ms. Schmitz voted yes. The lot is unique due to its size. The variance is consistent with the zone district and does not create any public health or safety issues. The surrounding properties are already developed. It is not a self-imposed hardship.

Mr. Finn, Ms. Purdy, Mr. Mott, Mr. Williamson, Ms. Flynn and Chair Green concurred with Ms. Schmitz.

Vote: Motion passed by a roll call vote (summary: Yes=7 No=0)
Yes: Carson Green, Sue Purdy, Writer Mott, Jedidiah Williamson, Angela Schmitz, Stacie Flynn
No: None
Absent: Randal Friesen
Abstain: None

Motion passed.

The Chair instructed the applicant to contact staff for any additional or necessary information.

Case #VAR2015-016
Christopher J. Gibbons
1997 West Iliff Avenue

Chair Green opened the public hearing stating he had proof of posting and publication. He introduced the case stating the applicant is requesting to reinstate variances to encroach 5 feet into the required 10 foot west side setback and to encroach 10 feet into the required 10 foot east side setback in order to construct a new storage building. These are variances to Table 16-6-1.1 of the Englewood Municipal Code (EMC).

Brook Bell, Planner II was sworn in. Mr. Bell provided an overview of the property and stated that the previous granted variances expired because the applicant was not able to obtain a building permit within the 180 day time frame.

Christopher J. Gibbons, 7656 South Allison Court, was sworn in. Mr. Gibbons testified that nothing has changed from the original variance requests which were granted in May 2015. Due to scheduling difficulties, he was unable to obtain a building permit within the specified amount of time.

There were no other persons present to testify for or against the variance. Chair Green incorporated the staff report and exhibits into the record and closed the public hearing.
MOTION: THAT VARIANCES BE REINSTATED TO ENCROACH 5 FEET INTO THE REQUIRED 10 FOOT WEST SIDE SETBACK AND TO ENCROACH 10 FEET INTO THE REQUIRED 10 FOOT EAST SIDE SETBACK IN ORDER TO CONSTRUCT A NEW STORAGE BUILDING. THESE ARE VARIANCES TO TABLE 16-6-1.1 OF THE ENGLEWOOD MUNICIPAL CODE.

Moved by Angela Schmitz Seconded by Writer Mott

With no further discussion, the secretary polled the members’ votes.

Ms. Flynn voted yes.

1. The property is unique due to its size, which is small for an industrial zoned property and for its location which is on a corner. The corner gives the property approximately a 10 foot setback measured from the sidewalk. The intent of the setback restriction is met and to not allow the variance for the property would deprive it of rights that nearby properties enjoy.

2. There are no issues with public health, safety, and welfare.

3. It will not permanently impair the use or development of adjacent conforming properties or alter the essential character of the neighborhood. It is located on a block that is zoned industrial.

4. It is not a self-imposed difficulty or hardship.

Mr. Finn, Ms. Purdy, Mr. Mott, Mr. Williamson, Ms. Schmitz and Chair Green concurred with Ms. Flynn.

Vote: Motion passed by a roll call vote (summary: Yes=7 No=0)
Yes: Carson Green, Sue Purdy, Writer Mott, Jedidiah Williamson, Angela Schmitz, Stacie Flynn
No: None
Absent: Randal Friesen
Abstain: None

Motion passed.

The Chair instructed the applicant to contact staff for any additional or necessary information.

4. Approval of Minutes

MOTION: TO APPROVE THE OCTOBER 14, 2015 MINUTES

Moved by Writer Mott; Seconded by Sue Purdy

Vote: Motion passed by a roll call vote (summary: Yes =6 No=0)
Yes: Carson Green, Tom Finn, Sue Purdy, Writer Mott, Angela Schmitz, Stacie Flynn
No: None
Absent: Randal Friesen
Abstain: Jedidiah Williamson
5. Approval of Findings of Fact

MOTION: TO APPROVE THE FINDINGS OF FACT IN CASE VAR2015-012, 2998 SOUTH DOWNING STREET

Moved by Writer Mott; Seconded by Angela Schmitz

Vote: Motion passed by a roll call vote (summary: Yes =5 No=0)
Yes: Carson Green, Sue Purdy, Writer Mott, Angela Schmitz, Stacie Flynn
