The variances in number of registered voters shall not be greater than fifteen percent between the district with the highest number of registered voters and the district with the lowest number of registered voters. Every four years thereafter, divisions, changes, and consolidations shall be made by the Council to carry out the intent of this Article. Hereafter, such redistricting shall be completed at least six months before the general municipal election at which it is to become effective.

Thereafter, all candidates elected shall serve a term of four years, and a general municipal election shall be held at two-year intervals.

(1) In order to broaden the opportunities for public service and to guard against excessive concentrations of power, no member of City Council shall serve more than three consecutive terms in such office. This limitation on the number of terms shall apply to a third term of office beginning on or after November 3, 2009. Any person who succeeds to the office of City Council member or is appointed or elected to fill a vacancy and who serves at least one-half of a term of office, shall be considered to have served a full term in that office for purposes of this subsection. Council shall meet regularly at the City Hall, at least twice each month, at a day and hour to be fixed from time to time by the rules and procedures of each Council; however, Council
may, upon appropriate prior published notice hold any regular or special meeting at such other appropri-
ate public place in the City as they may designate. Council shall by ordinance prescribe the rules of procedure governing meetings. All meetings for the transaction of business shall be open to the public. Special meetings of Council may be called in the manner and at the time provided for by the rules of procedure of Council. Five members of Council shall constitute a quorum.  
(Amended 11-2-1965)

28: Vacancies.

An elected officer shall continue to hold his office until his successor is duly qualified. In case of a vacancy, the remaining Councilmen shall choose, by majority vote and within thirty days after such vacancy occurs, a duly qualified person to fill such vacancy. He shall serve until his successor elected for the remainder of the term at the next ensuing general municipal election has been duly qualified. If three or more vacancies exist in the Council simultaneously, such vacancies shall be filled for the respective unexpired terms at a special election.

The Council shall have the power and authority, within constitutional limitations, to delegate by ordinance to Boards and Commissions such functions, powers or authority herein conferred upon the City as the Council shall deem proper and advisable within its discretion.

31: Clerk of the Council.

The City Manager shall appoint a City Clerk who shall be Clerk of the Council. The City Clerk shall receive petitions and other documents in the name of the Council, keep a journal of Council proceedings, authenticate by his signature and record all ordinances and resolutions in full and shall perform such other duties as required by this Charter or by the City Manager.  
(Amended 11-2-1965)

32: Powers expressly withheld from Council.

Council shall deal with the administrative service solely and directly through the City Manager, and neither the Council, its members nor committee shall either dictate the appointment or direct or interfere with the work of any officer or employee under the City Manager, either publicly or privately. Attempted dictation, direction or interference on the part of any member of the Council shall be deemed misconduct.  
(Amended 11-4-1997)

Any elected officer of the City of Englewood may be recalled from office at any time after holding office for six months, in the manner here provided:

The procedure hereunder to effect the recall of any elected officer shall be as follows:

One or more registered electors who would be entitled to vote for the successor of the incumbent sought to be recalled shall file with the City Clerk, an affidavit of not more than 200 words stating the reasons for the recall of the elected
officer sought to be removed. The City Clerk shall, within forty-eight (48) hours after the filing of said affidavit, mail a copy of said affidavit, by certified mail, to the elected officer sought to be recalled, who may file with the City Clerk a sworn statement in defense of the charges made against him. After the affidavit has been filed, the City Clerk shall authorize a petition for recall of the elected officer which shall include the statement in defense of the petition if so requested by the person sought to be recalled prior to the authorization by the City Clerk. The City Clerk’s authorization shall not constitute an approval of the form or contents of the petition but, rather, shall commence the running of the time periods provided hereafter.

The authorized petition may be circulated and signed by registered electors who would be entitled to vote for the successor of the incumbent sought to be recalled. For recall of any elected officer, said petition must be signed by registered electors who would be entitled to vote for a successor of the incumbent sought to be recalled, numbering at least twenty-five percent (25%) of the registered electors voting for all the candidates for the elected officer’s respective office in the last preceding general municipal election.

The recall petition shall be filed with the requisite information and signatures with the City Clerk within sixty (60) days after authorization by the City Clerk. Failure to file a petition within this period shall render the recall petition null and void. If said petition is filed within the time specified and is proper in all respects, the Council shall set a date for a recall election to be held not less than sixty (60) days nor more than one hundred twenty (120) days after filing of the recall petition unless within said period of time a general municipal election, a special municipal election, or a general state election is to be held.

Should a general municipal election, a special municipal election, or a general state election be held within the 60th to 120th day after the recall election, the election to fill the vacancy shall be held in conjunction therewith.

Recall elections and elections to fill a vacancy created by a recall election shall not be subject to the limitation set forth in Section 14 of the Home Rule Charter.

(Amended 3-24-1981; 11-5-1991; 11-6-2001)

35: Implementation.

The Election Commission shall make such additional rules and regulations as are necessary to implement the above procedures.

ARTICLE V. ORDINANCES

36: Ordinances, resolutions, motions.

Council shall act only by ordinance, resolution or motion. All legislative enactments must be in the form of ordinances; all other procedure may be in the form of resolutions or motions. All ordinances and resolutions shall be confined to one subject, except in case of repealing ordi-
nances, and the ordinances making appropriations shall be confined to the subject of appropriations.

37: Voting.

The ayes and nays shall be taken upon the passage of all ordinances, resolutions and motions, and entered upon the journal of the Council proceedings. Every ordinance shall require the affirmative vote of the majority of the membership of the entire Council for final passage. Resolutions and motions shall require the affirmative vote of a majority of the quorum present. Every member, when present, must vote upon ordinances, resolutions and motions, except he shall be excused from voting on matters involving the consideration of his own official conduct or when his personal or financial interest is involved.

38: When required.

In addition to such acts of the Council as are required by general statute, or by other provisions of this Charter to be by ordinance, every act making an appropriation, authorizing borrowing of money, levying a tax, establishing any rule or regulation for the violations of which a penalty is imposed, or placing any burden upon or limiting the use of private property, shall be by ordinance.

39: Form.

Every ordinance shall be introduced in written or printed form. The enacting clause of all ordinances shall be, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ENGLEWOOD, COLORADO. Except as otherwise provided in this Article, all ordinances shall take effect thirty days after publication following final passage.

40: Procedure of passage.

An ordinance may be introduced as a bill at any regular meeting by any member of the Council, or by petition of the people as provided by this Charter. Upon introduction, the bill shall be published by reference or in full as Council may determine. Council may set a day and hour at which Council, or a committee of Council, shall hold a public hearing thereon. A bill, before its final passage, shall be presented at one additional meeting of the Council, which meeting must be held no earlier than seven days after publication of the bill for an ordinance, except in case of emergency as herein provided. After final passage, every ordinance shall again be published by reference or in full as Council may determine.

Any publication by reference shall contain a summary of the subject matter of the ordinance and a notice that copies of the ordinance are available at the office of the City Clerk.

(Amended 11-4-2003)

41: Emergency ordinances.

Emergency ordinances necessary for the immediate preservation of public property, health, peace, or safety may be introduced, read and unanimously approved by a quorum present, at any meeting of the Council. The facts showing such urgency and need shall be specifically stated in the ordinance. No ordinance shall receive final passage on the same date it is introduced; however, emergency ordinances may receive final passage by Council on the following day. Emergency ordinances shall take effect immediately upon final passage and shall be published within seven days thereof. No ordinance making a grant of any special privilege, levying taxes, incurring indebtedness, authorizing borrowing money or fixing rates charged by any city owned utility shall ever be passed as an emergency measure unless the indebtedness, or the borrowing of money has received prior voter approval, or the indebtedness does not require voter approval under Article X, Section 20 (TABOR) of the State Constitution.

(Amended 11-2-1965; 11-6-2001)

42: Disposition.

A true copy of every ordinance, as adopted by Council, shall be numbered and recorded and adoption and publication shall be authenticated by the signature of the Mayor and the City Clerk, and by the certificate of publication. A true copy of every ordinance as adopted by the vote of the
registered electors of the City shall be separately numbered and recorded commencing with "Peo­
oples" Ordinance No. 1. 
(Amended 11-5-1991)

43: Codification.

Council shall cause the permanent ordinance to be codified within one year after the effective date of this Charter and, may thereafter, recodify them as deemed necessary or desirable. Codification may be accomplished by the Council by reenactment or authentication, as may be designated by ordinance; and the codification shall be amended or supplemented as permanent ordinances are passed by adding or deleting those ordinances adopted or repealed by Council and designated as affecting the Municipal Code.

44: Codes published by reference.

Standard codes, promulgated by the Federal Government, the State of Colorado, or by any agency of either of them, or by recognized trade or professional organizations, or amendments or revisions thereof, may be adopted by reference, provided the publication of the bill or ordinance adopting any said code shall advise that copies thereof are available for inspection at the office of the City Clerk, and provided that any penalty clause in said codes may be adopted only if set forth in full and published in the adopting ordinance. Primary codes thus adopted may in turn adopt secondary codes.

ARTICLE VI. INITIATIVE AND REFERENDUM

45: Initiative.

Any proposed ordinance may be submitted to the Council by a petition signed by registered electors of the City equal in number to the percentage herein required.
(Amended 11-5-1991)

46: Submissions.

If the petition accompanying the proposed ordinance is signed by registered electors equal in number to ten percent (10%) of the preceding gubernatorial vote in the City, with a request for a special election, the Council shall either pass said ordinance without alterations within thirty days after the petition is filed, subject to the referendum, or call a special municipal election, unless a general municipal election, special municipal election or general state election is to occur within ninety days thereafter. At such general municipal election, special municipal election or general state election the Council shall submit said ordinance to a vote of the electors of the City. If the petition is signed by registered electors equal in number to at least five percent (5%) of the preceding gubernatorial vote in the City, and is filed with the City Clerk at least ninety (90) days before a general municipal or general state election, the Council shall pass said proposed ordinance without alterations within thirty (30) days, or shall submit same to a vote of the electors at the next general municipal election or general state election. If the petition is not filed with the City Clerk at least ninety (90) days before the next general municipal election or general state election, it shall be null and void.

An initiated ordinance shall be published in the same manner as other ordinances. The ballot upon which such proposed ordinance is submitted shall comply with the requirements set forth in Section 14 of this Charter. If a majority of the electors voting thereon shall vote in favor thereof, the same shall thereupon, without further publication, become an ordinance of the City immediately. Any number of proposed ordinances may be submitted at the same election. The number of special elections shall be limited as provided in Section 14 of this Charter.

percent (10%) of the preceding gubernatorial vote
in the City, is presented to the Council protesting
any ordinance going into effect, it shall reconsider
such ordinance. If the ordinance is not entirely
repealed, Council shall submit it to a vote of the
electors of the City as provided in the Initiative
and Section 14 of this Charter, at the next general
municipal election, special municipal election or
general state election. Such ordinance shall then
go into effect without further publication if a
majority of the electors voting thereon vote in
favor of it. The Council, on its own motion, shall
have the power to submit any proposed ordinance

have the power to submit any proposed ordinance
to a vote of the electors at a general municipal

to any ordinance subject to referendum. If provi-
sions of two or more proposed ordinances adopted
or approved at the same election conflict, the
ordinance receiving the highest affirmative vote
shall become effective.
(Amended 11-2-1965; 11-5-1991; 11-6-2001)

(a) An annual or current expense budget, hereafter referred to as the "Budget" which shall be a complete financial plan for the ensuing fiscal year consisting of the budget proper and the budget message.

(b) A Capital budget.
83: Scope of annual budget.

The Budget shall contain:

(a) An estimate of anticipated revenue from all sources other than the tax levy of the ensuing fiscal year.

(b) An estimate of the general fund cash surplus at the end of the current fiscal year or of the deficit to be made up by appropriation.

(c) The estimated expenditures necessary for the operation of the several departments, offices, and agencies of the City.

(d) Debt service requirements for the ensuing fiscal year.

(e) An estimate of the sum required to be raised by the tax levy for the ensuing fiscal year, and the rate of levy necessary to produce such sum, based on a percentage of collection not exceeding the lowest percentage of current levy collection experienced during the three preceding complete fiscal years.

(f) A balance between the total estimated expenditures and total anticipated revenue from all sources, taking into account the estimated general fund cash surplus or deficit at the end of the current fiscal year. All estimates shall be in detail, showing revenues by sources and expenditures by organizational units, activities, character or object. The budget shall be arranged to show comparative figures for receipts and expenditures for at least two prior years and for the current year, and the City Manager's recommendations for the ensuing year.

84: The budget message.

The budget message shall contain the recommendations of the City Manager concerning the fiscal policy of the City, a description of the important features of the budget plan, an explanation of all major increases or decreases in budget recommendations as compared with prior years, and a summary of the proposed budget showing comparisons similar to those required in the budget proper, itemized by principal sources of revenue and the main items of expenditure.

85: Departmental estimates.

The head of each department, office or agency shall submit to the City Manager, at such date as the City Manager shall determine, estimates of revenue and expenditure for that department, office or agency.

87: Public hearing.

A public hearing on the budget shall be held by Council within three weeks after its submission. Notice of time and place of said hearing shall be published within seven days after submission of the budget in the manner provided in this Charter for the publication of ordinances.

88: Changes by Council.

After conclusion of such public hearing, the Council may insert new items of expenditure or may increase, decrease, or strike out items of expenditure, except that no item of appropriation for debt service shall be reduced. If Council shall decrease the total proposed expenditures, such decrease shall be reflected in full in the tax levy. If Council shall increase the total proposed expenditures, such increase shall be reflected in the tax levy or by appropriate provision in other revenues.

If the Council increases the total proposed expenditures by more than five percent (5%), another public hearing shall be held as provided in this Charter.
89: Certification of tax levy.

Not later than October 16th, or such date as may be required by state law, Council shall meet and pass a tax levy ordinance in which shall be included such levy as in its judgment may be deemed proper and wise, in mills, upon each dollar of the assessed valuation of all taxable property within the corporate limits of the City, and shall cause same to be certified as by law required. If Council fails in any year to make such tax levy as above provided, then the rate last fixed shall be the rate for the ensuing fiscal year, which rate shall be levied as by law provided.

90: Adoption of the budget and the appropriation ordinances.

Not less than thirty days prior to the first day of the next fiscal year, Council shall adopt a bill for the Budget and a bill for the Appropriation Ordinance.

Appropriations in addition to those contained in the budget shall be made only on the recommendation of the City Manager, and only if the City Treasurer certifies that there is available a cash surplus sufficient to meet such appropriations. These limitations shall not apply to meeting a public emergency caused by act of God or the public enemy or some contingency which could not have been reasonably foreseen at the time of the adoption of the budget, in which event Council may authorize the expenditure of funds in excess of such budget by ordinance or resolution duly adopted by a two-thirds vote of Council. In case of such emergency and the passage of an ordinance or resolution authorizing additional expenditures in excess of the budget and if there be funds or money available for such excess expenditures in some other fund which will not be needed for expenditures during the balance of the fiscal year, Council shall transfer such available money from such fund to the fund from which the excess expenditure is to be paid. If sufficient money which can be so transferred is not available to meet the authorized excess expenditure, then Council may make a temporary loan through the issuance of registered warrants so as to provide for such excess expenditures. The total amount of such temporary loans shall not exceed such amount as can be raised by a two mill levy on the assessed valuation of the taxable property within the City.

94: Appropriations to lapse.

Any annual appropriation or any portion thereof remaining unexpended and unencumbered at the close of the budget year shall lapse and revert to the General Fund; except for appropriations for construction or maintenance of permanent improvements from the Public Improvement Fund or other such funds designated by City Council which shall not lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned as provided in Article X, Part I, Section 96 of the Englewood Home Rule Charter. (Amended 11-6-2007)

The fund is to be established for the purpose of paying, in whole or in part, the cost of general or special improvements of the City. The proceeds of such levy shall be kept by the City Treasurer in a special account until invested as authorized by the Council. The Council shall have power to transfer from time to time to the Public Improvement Fund any portion of the General Fund surplus not otherwise appropriated. Appropriations for construction of permanent improvements, from the Public Improvement Fund, shall not lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned, provided any project shall be deemed to have been abandoned if five fiscal years elapse without any expenditure from the appropriation therefor. Any unappropriated balance in the Public Improvement Fund may be transferred by the Council for payment of outstanding general or special bonded indebtedness of the City.

It is the public policy of the people of the City of Englewood to promote harmonious, peaceful and cooperative relationships between the elected and appointed officials of the City and the members of the classified service and to protect the public by assuring, at all times, responsible, orderly, and uninterrupted operation of government services and where necessary, to provide for and regulate such matters of local concern. Since unresolved disputes in the public service are injurious to the public, and to the government of the City of Englewood, and City employees, there is hereby provided, for full-time classified employees in an appropriate bargaining unit, the right to bargain collectively concerning certain subjects with the City as employer through a certified employee organization and a method for resolving impasses in such bargaining, as hereinafter provided. The establishment of this method of resolving such impasse shall be deemed to be a recognition of the propriety of providing an alternative mode of settling disputes where public employees, as a matter of public policy, and in recognition of the desirability of maintaining a balance in the labor management relationship, must be denied the right to strike.

(ix) To take any and all actions to carry out the mission of the City in cases of emergency.

(x) Nothing contained herein shall preclude the City from conferring with its employees for the purpose of developing policies to effectuate or implement any of the above-enumerated rights.

All powers, duties and rights as enumerated above shall be within the exclusive right of the City except as limited or modified by a collective bargaining agreement.

(k) "Employee Rights". A full-time classified employee who is not a confidential employee, a managerial employee, or a supervisor shall have the right:

No organization shall be eligible to be the certified employee organization if it admits to membership or is directly affiliated with an organization that admits to membership persons who are supervisors or who act in a supervisory capacity with respect to employees of the City of Englewood as defined in this Article. No organization shall be eligible to be the certified employee organization or certified employee representative with respect to police officers of the City if such organization admits to membership employees of any employer, public or private, other than police officers, except that such employee orga-

The Collective Bargaining Agreement between the City and the certified bargaining representative shall consist of any and all terms actually agreed upon by parties, which terms are not otherwise inconsistent with the Ordinances or Charter of the City. The Collective Bargaining Agreement shall be for a term of not less than one (1) year nor more than three (3) years, provided that all Collective Bargaining Agreements entered into shall be effective on a January 1 date and shall terminate on a December 31 date.

137:5 Subjects for collective bargaining.

(a) Mandatory Subjects. The City and the certified employee representative shall have the mutual obligation to negotiate and bargain in good faith over the following mandatory subjects: wages, hours, vacation, insurance (contribution levels and levels of benefits only), holidays, administrative leave, personal leave, military leave, disability leave, funeral leave, dues deduction, grievance resolution procedure (including costs and expenses associated therewith), non-State or Federally regulated or mandated pension or retirement provisions (contribution levels only), over-time pay formulas, work uniform provisions, acting pay, longevity, transfer procedure, procedures for suspension, demotion and discharge, and education incentives. 137:6 **Impasse resolution.**

(a) **Impasse.** In the event the parties are unable to reach agreement on all mandatory subjects to be contained in the collective bargaining agreement on or before July 1 of the year in which the parties have met and bargained over these subjects, impasse shall be declared. Each party shall submit to the City Clerk a statement which contains that party's final offer regarding any mandatory economic subject upon which the parties are at impasse. The statement shall be submitted by each party no later than 5:00 p.m. on July 1. If July 1 falls on a Saturday or Sunday the period is shortened to and ends on the prior business day which is not a Saturday, Sunday or legal holiday.

(b) **Appointment of Arbitrator.** The City Manager and the employee organization will jointly present to the City Council on or before July 10 the names of three arbitrators who have experience in labor relations matters and interest arbitration. From that list of three, the City Council will appoint one arbitrator whom it authorizes to conduct hearings and make a decision on the final offer to be implemented. The arbitrator shall be appointed no later than July 30. Prior to the commencement of hearings, the arbitrator shall sign an oath to uphold the terms of the Charter.

(c) **Hearings.** The arbitrator shall hold hearings on the parties’ final offer on mandatory economic subjects only. The arbitrator shall set the date of hearing and shall give at least ten (10) days notice in writing to the parties of the time and place of such hearing. The arbitrator shall have power to administer oaths and to require by subpoena the attendance and testimony of witnesses, and the production of books, records and other evidence relating to or pertinent to the issues presented to the arbitrator for determination.

The arbitrator shall have the right to determine whether any proposal or demand is a mandatory economic subject for bargaining within the meaning of Section 137:5(a) of this Charter.

The hearing conducted by the arbitrator shall be concluded within seven (7) days of the time of commencement. Within five (5) days following the conclusion of the hearing, the parties may, if they deem necessary, submit written briefs to the arbitrator. Within fifteen (15) days of the receipt of such briefs or the conclusion of the hearing, whichever is applicable, the arbitrator shall make written findings and decide whether the final offer of the City or the final offer of the certified employee organization on the total package of outstanding mandatory economic subjects in dispute shall be implemented. A copy of the arbitrator's findings and decision shall be mailed or otherwise delivered to the certified employee organization and the City Manager.

(d) **Record of Hearings.** The hearings conducted by the arbitrator shall be recorded. Any party may request an official stenographic record of the testimony at the hearing. The party requesting shall pay the cost of such transcript. If the other party requests a copy of the transcript or if the arbitrator requests a transcript, both parties shall share the entire cost of making the stenographic record.

(e) **Standards for Decision.** The following factors must be considered by the arbitrator in arriving at a decision:

1. The interest and welfare of the public and the financial ability of the City to bear the costs involved;
(2) The lawful authority of the City;

(3) Stipulations of the parties;

(4) Comparison of the wages, hours, benefits and other terms or conditions of employment of the employees involved with other employees performing similar services in public employment in comparable Colorado communities;

(5) The cost of living;

(6) The overall compensation presently received by the employees including direct wage compensation; vacation, holidays and other excused time; insurance and pension; medical and hospitalization benefits; the continuity and stability of employment; and all other benefits received.

(f) Final Offer Procedure. The arbitrator shall choose either the City's total final offer on all outstanding mandatory economic subjects or the employee organization's total final offer on all outstanding mandatory economic subjects as contained in each party's statement of final offer as required in Section (a) and shall state the reasons for choosing such final offer.

(g) Time Limits. The time limits for conducting the hearing and for any action by the arbitrator specified in this Chapter may be waived by mutual consent of the parties as long as the arbitrator's decision is rendered two weeks after the budget is submitted to City Council by the City Manager.

(h) Fees and Expenses of Arbitration. One-half of the necessary fees and necessary expenses of arbitration (excluding all fees and expenses incurred by either party in the preparation or presentation of its case) shall be borne by the City and one-half shall be borne by the employee organization.

(i) Finality of the Arbitrator's Decision.

(1) Except as provided in this Section, the decision of the arbitrator shall be final and binding on the employee organization and the City. Nothing herein shall prohibit the parties from agreeing to terms different from the decision of the arbitrator as long as such agreements are made within the fifteen (15) days after receipt of the arbitrator's decision.

(2) The arbitrator's decision shall be subject to Court review pursuant to the terms of this Section. Any party desiring Court review must file suit in the District Court no later than thirty (30) days after the date of the arbitrator's decision. Failure of either party to file suit within thirty (30) days shall be a waiver of that party's right to appeal the decision. The District Court shall affirm the arbitrator's award unless it determines:

(a) The award was procured by corruption, fraud, or other undue means;

(b) The decision is arbitrary, capricious, or unreasonable because there is no competent evidence in the record to support the decision; or

(c) The decision was reached without considering the factors listed in paragraph (e) above.

(3) If the Court determines that the award was procured by corruption, fraud, or other undue means, the entire award shall be vacated and the matter shall be remanded back to be heard by a different arbitrator selected pursuant to the terms of this Section. If the Court determines that the arbitrator's decision is arbitrary, capricious or unreasonable, or was reached without considering the factors listed in paragraph (c) above, the Court shall remand the issue to the arbitrator with instructions to take new evidence if necessary and to issue a decision in conformity with the provisions of this Section.

(4) Each party shall be responsible for its own costs and fees in connection with any appeal to the District Court.

(Amended 11-5-1991; 11-7-1995)

zation, nor any employees of the City, nor any person acting in concert with them, will cause, sanction, or take part in any strike.

(b) In the event a certified employee representative engages in any conduct which falls within the definition of "strike", herein, such violation shall be cause for the City to terminate the collective bargaining agreement with said certified employee representative and/or withdrawal of recognition of the certified employee representative upon giving written notice to that effect to the chief representative of said certified employee representative or employee organization, in addition to whatever other remedies may be available to the City at law or in equity.

(c) In the event an employee or employees engage in any conduct which falls within the definition of "strike", herein, such violation shall constitute just cause for the immediate discharge of said employee, in addition to whatever other remedies may be available to the City at law or in equity. The City shall not be required to pay any employee any portion of his/her salary or fringe benefits while engaging in activity in violation of said section. It is expressly recognized that the City has the right to selectively discipline, up to and including discharge, any employee or employees whose conduct falls within the definition of said section without having to discipline all employees whose conduct falls within the definition of said section.

V. Permanent full-time classified employees will not be subject to separation except for just cause or such reasons as curtailment of work, lack of funds or other legitimate reasons.
