

Englewood Community Garden Volunteer Opportunities

Each plot holder, regardless of plot size, agrees to volunteer a minimum of **15 hours** per plot for the season. We want our Garden to present the best image possible for ourselves and for our community.

Please record your volunteer hours using the Volunteer Log Sheet. A notebook is located in the mailbox of the Garden Kiosk. It is up to you to keep track of your hours and make sure they are completed by November 1 to avoid forfeiting your gardening privileges.

If you have any problems, please contact a member of the Garden Steering Committee and they will do everything possible to help you complete your hours. englewoodco.garden@gmail.com

Volunteer hours can be fulfilled in many ways. You can get involved with the following subcommittees:
