City of Englewood creates COVID-19 Small Business Support and Recovery Grant

In response to the adverse economic impacts of the COVID-19 pandemic, the City of Englewood has developed a COVID-19 Small Business Support and Recovery Grant Program. This program provides grants up to $2,000 for businesses significantly impacted by this pandemic.

The grant is available to all non-home-based small businesses in the City of Englewood; however, priority will be given to businesses that have frequent or close contact with customers.

Categories of eligible small businesses include: retail (storefront), restaurant/food business; personal care (barber shop, nail salons, spas, etc.); healthcare and social assistance (childcare, etc.); art galleries and performance venues; and small manufacturing businesses.

Businesses must meet all of the following criteria.

- 25 employees or fewer.
- Physical and publicly accessible location in the City of Englewood in a commercial or industrial district.
- Experienced or projected to experience a decline in revenue between February 1, 2020 and April 15, 2020 as a result of COVID-19 pandemic.
- Experienced or projected to experience a decline in employment as a result of the COVID-19 pandemic.
- In good standing with the City of Englewood with regard to licensing and finance, including being current on sales and use tax payments.
- Engaged in activities that are legal under city and state law.
- Meet program technical requirements including ability to provide financial records to support grant request.
- Registered with the Colorado Secretary of State’s Office.

If your business meets the above criteria, please visit www.englewoodco.gov/doing-business/resources-for-businesses to complete an application. Business owners are then asked to email the application to ecodev@englewoodco.gov. The grant review committee will evaluate applications and staff will assist in identifying the most appropriate level of grant support for each business.

Funding for this grant is limited and is subject to closure once budgeted funds are expended.
