City Clerk
- The City Clerk met with Arapahoe County Clerk Joan Lopez and the Arapahoe County Deputy Director of Elections Peg Perl to discuss the upcoming November Election and Vote Center at the Englewood Civic Center. The City of Englewood will be one of 29 VSPC’s (Voter Service and Polling Centers) in Arapahoe County for the November 3 General Election and will be open to the public October 19 – Election Day, November 3. The City of Englewood also has a secure 24-hour ballot drop box located in the circle drive of the Englewood Civic Center.
  - Due to public health concerns, Arapahoe County is STRONGLY ENCOURAGING everyone to vote their mail ballot and drop it off in a secure 24-hr drop box to protect themselves and others and reduce in-person contact.
**Police Department**
- The Arapahoe County Sheriff is now accepting arrest warrants that have a bond of $10,000.00 or higher, which they have not been doing as a result of COVID.

**Municipal Court**
- On Monday night, at the recommendation of Presiding Judge Joe Jefferson, City Council appointed 3 new Associate Judges to serve 4-year terms. Klaralee Charlton, Ben Figa and Jonathon Lucero were sworn in by Judge Jefferson who welcomed them to Englewood’s Judicial Bench.

**Finance**
- Revenue & Business Licensing issued their first Short Term Rental license on August 20th with successful and ongoing collaboration with Community Development (see picture below of first issued license)

- Revenue & Business Licensing has successfully transitioned to the new payment processors for MUNIRevs
  - Additional fields were added for credit card payers to complete reducing fees
    - Reduced fees savings offset the implementation cost of adding the fields (great example of intra-departmental collaboration with the Accounting team!)
    - Enhancement will also reduce possible fraud

**Information Technology**
- The new HR/Payroll system implementation completed a critical milestone this week. The position data and the conversion data from Tyler New World (current system) has been uploaded in the new Ultimate Software System.
Community Development

- **Title 16/Unified Development Code Community Assessment Steering Committee Meeting**
  - The Steering Committee conducted their initial organizational meeting via Zoom on August 20th. The group identified key issues that should be considered in the assessment and heard more about the schedule for the project. The next event for this project will be the Telephone Town Hall on September 2 from 6:00 – 7:30, which will enable community members to ask questions and provide comments about Englewood’s development regulations. Fifty-nine (59) people are registered for the town hall to date. A sign-up link for the town hall is on the front page of the City of Englewood website, under the Spotlight section.

- **Englewood Trolley Daily Ridership**
  - August 3: 340
  - August 4: 284
  - August 5: 271
  - August 6: 263
  - August 7: 292
  - August 10: 300
  - August 11: 289
  - August 12: 274
  - August 13: 251

Parks, Recreation and Library

**Parks**

- Romans tennis court renovation is in process. The forms and cables have been set and the posttension courts were poured on Monday.
- New rules and regulation signs have been installed at Northwest Greenbelt and Centennial Park.
- New trees will be installed along Inca where ash trees were removed. Small dollar grant funds from the Colorado Tree Coalition will be used to purchase the new trees.
- Two homeless camps were removed this week. One at Englewood Recreation Center and one on Little Dry Creek at Sherman.
- Ash trees on the South side of town have been evaluated and updated in Tree Plotter. We have now evaluated 90% of our ash trees.

**Golf**

- The course is in really good shape going into the weekend for the Men’s Club Championship. The Club President mentioned they have been thrilled with playing conditions all year and that the greens are magnificent.
- With no precipitation in the forecast irrigation systems are working at capacity to keep up with the 90+ degree days. Staff are hand watering hot spots to keep the grass healthy and green.
Recreation

- **ERC:**
  - Ramping up promotions for Center use through business contacts. No school rentals this fall for athletic use.
  - Still waiting on approval from the State Licensing to operate a day long Child care option at the Recreation Center. Meeting date with representative in September.

Aquatics

- The last full week at Pirates Cove generated an additional $33,000 with two session equaling 2,500 visits! We were glad to be able to stay open with 90+ degree days to allow the community to enjoy the park.
- Now park will only be open on the weekends until Labor Day due to lifeguards returning back to school.
- ERC aquatic attendance 377 up 20 from previous week

- Beginning September 1st STRIDE Community Health Care will be offering COVID-19 mobile testing in Pirates Cove parking lot every Tuesday and Thursday (10:00 am – 2:00pm). They are currently staged at the Cornerstone Parking lot but they have found they are not visible from the street for people to find. Moving the mobile testing to Pirates Cove will offer visibility for individuals to find easier. There will be no impact to Pirates Cove as we are closed now during the weekdays. PD will provide traffic support for this testing site if needed. Brad Anderson at Pirates Cove will provide facility support when needed.

Library

- We started working on a new Teen/Young Adult space in the Library. We hope to have this ready by the time we fully reopen.
- The next phase of the Library’s reopening will begin August 31st, when we switch to First Come First Serve access to the Public Computers, and begin having English Language tutors meet with their students.
• The first session of the “How to Be an Antiracist” book club with Mayor Olson and Council Member Wink. We have had over 100 people register and 55 participated.

  - August 19 - World Photography Day
  - August 18 - Wedding invitations
  - August 13 - Flag cases
• Brewability Lab mentioned the City of Englewood in their post this week, saying, "Wow!!! Ya’ll brought the party last night! I’m honestly in tears right now thinking about what a beautiful community we have. YOU did not hesitate to welcome the gentleman with Cerebral Palsy to sit at your table with you. YOU did not judge the people down on their luck- taking what they need from our clothing supply that YOU donated. YOU did not hesitate to cheer a man with Down Syndrome. YOU did not hesitate to attempt to make a crane for a child with cancer. YOU did not think twice about dancing with the person sitting by themselves. YOU just did. Not out of sympathy. Just YOU being YOU. This is why we exist! In a very difficult, unfamiliar world full of rage, we will be who we are: Positive, accepting, loving and kind! We will accept nothing less within our space. My heart is bursting with pride❤️. YOU are our people. Thank you for being YOU! A huge shout out to our friends Vamonos Pest, the band & Gallo Supper Club as well as Avery Becker Alyse Morgan Aaron Harris Pamela Bosman Becker and Art Valdez. Join us today (Saturday) for The Breakfast Queen brunch beers from 12-3, Joe Waters Bluesman from 2-5, Peyton’s Potion #cranes4cancer all day and capping off the night with the ToneShakers from 6-9!
  Reminder it is open container so please #SupportLocal and grab wine/cocktails from One Barrel Englewood Grand & Mick Mullens make a day of it & #shoplocal with Kitschy Witch Vintage Sweet Caroline Confections: The Original Sparkle Lollipops Guided by Humanity yoga Ted’s Clothiers & Sarah DeAngelo Jewelry! Please #wearamask in City of Englewood, CO - Government so we can all stay open.Click here to see the post.
