He provided historical information as well as his filed comments to the Army Corps of Engineers. He has requested a hearing with the Army Corps of Engineers and they will notify him when a hearing is scheduled. Mr. Egan does not want to give up the park for a parking lot.

   (e) Dan Zerfas, an Englewood resident, spoke regarding the park and the fact that it has not been re-zoned. He disagrees with RTD’s claims that there is a demand for additional parking.
