COUNCIL GOAL AND PREVIOUS COUNCIL ACTION

City Council has focused on ensuring that Englewood is safe, clean, healthy, and attractive. For the past three years, City Council has approved the Police Department’s applications for and acceptance of Edward Byrne Memorial Justice Assistance Grants aimed at enhancing public safety in the community.

RECOMMENDED ACTION

The Police Department is recommending that City Council adopt a Bill for an Ordinance authorizing the Englewood Police Department to accept grant award No. CFDA #16.738 from the Bureau of Justice Assistance Edward Byrne Memorial Justice Assistance Grant (JAG).

BACKGROUND, ANALYSIS, AND ALTERNATIVES IDENTIFIED

The City of Englewood Police Department was notified on June 6, 2011 that it had been awarded $20,903.00 from the Bureau of Justice Assistance (BJA). The Police Department is planning on purchasing approximately three Autoliv Noptic Thermal Imaging devices that will be placed on the spot lights of three patrol vehicles. Additionally, the Police Department will purchase autolock police batons for all uniform personnel. The current devices are outdated and worn. The purchase of these batons will also enhance consistency in that all officers will be outfitted with the same device. The award is based upon a Congressionally-mandated JAG formula which factors in the state’s population and the state’s share of violent crime statistics. The Police Department is required to submit an application to the Bureau of Justice Assistance outlining how this allocation will be spent. The BJA requires that an official review by City Council be conducted prior to the submission of the application if at all possible.

FINANCIAL IMPACT

This is a non-matching grant so there is no financial impact to the Police Department.

Overview

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program (42 U.S.C. 3751(a)) is the primary provider of federal criminal justice funding to state and local jurisdictions. JAG funds support all components of the criminal justice system, from multijurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives. JAG-funded projects may address crime through the provision of services directly to individuals and/or communities and by improving the effectiveness and efficiency of criminal justice systems, processes, and procedures.

Deadlines: Registration and Application

Registration is required prior to submission. The deadline to register in GMS is 8:00 p.m. eastern time on July 21, 2011 and the deadline for applying for funding under this announcement is 8:00 p.m. eastern time on July 14, 2011. Please see the "How to Apply" section, page 6, for more details.

Eligibility

Please refer to the cover page of this solicitation for eligibility under this program.

JAG Program—Specific Information

Formula

Once each fiscal year's overall JAG Program funding level is determined, BJA partners with the Bureau of Justice Statistics (BJS) to begin a four step grant award calculation process which consists of:

1. Computing an initial JAG allocation for each state and territory, based on their share of violent crime and population (weighted equally).

2. Reviewing the initial JAG allocation amount to determine if the state or territory allocation is less than the minimum ("de minimus") award amount defined in the JAG legislation (0.25 percent of the total). If this is the case, the state or territory is funded at the minimum level, and the funds required for this are deducted from the overall pool of JAG funds. Each of the remaining states receives the minimum award plus an additional amount based on their share of violent crime and population.

3. Dividing each state’s final award amount (except for the territories and District of Columbia) between state and local governments at a rate of 60 and 40 percent, respectively.

4. Determining local unit of government award allocations, which are based on their proportion of the state’s three-year violent crime average. If a local eligible award amount is less than $10,000, the funds are returned to the state to be awarded to these...
local units of government through the state agency. If the eligible award amount is
$10,000 or more, then the local government is eligible to apply for a JAG award directly
from BJA.

Award Amount

Eligible award amounts under JAG are posted annually to BJA's JAG web page:
www.ojp.usdoj.gov/BJA/grant/jag.html.

All awards are subject to the availability of appropriated funds and any modifications or
additional requirements that may be imposed by law.

Purpose Areas

JAG funds may be used for state and local initiatives, technical assistance, training, personnel,
equipment, supplies, contractual support, and criminal justice information systems for criminal
justice that will improve or enhance such areas as:

- Law enforcement programs.
- Prosecution and court programs.
- Prevention and education programs.
- Corrections and community corrections programs.
- Drug treatment and enforcement programs.
- Planning, evaluation, and technology improvement programs.
- Crime victim and witness programs (other than compensation).

Note: The authorizing statute for the JAG Program provides that funds are to be used for the
purposes above and notes that these purposes include all of the purposes previously authorized
under the Edward Byrne Memorial State and Local Assistance Program (Byrne Formula) and
the Local Law Enforcement Block Grant Program (LLEBG). This provision may be useful to
applicants in understanding all of the allowable uses under the above purpose areas. For
example, relying on this provision, it can be understood that the JAG Purpose Area "Prosecution
and court programs" listed above, provides the states and local units of government with the
authority to fund defender, judicial, pretrial, and court administration efforts as well as
prosecution programs. For a listing of prior Byrne Formula and LLEBG purpose areas, see
www.ojp.usdoj.gov/BJA/grant/byrnepurpose.html. Although these two programs have been
eliminated, their prior purpose areas may be useful in appreciating the scope of the JAG
purpose areas.

JAG funds may also be used to address key statutory requirements that may not be otherwise
funded, including requirements from the state and federal level, such as addressing limited
English proficiency requirements and other similar mandates.

Priorities

BJA recognizes that the downturn in the economy has resulted in significant pressures on state
and local criminal justice systems. In these challenging times, shared priorities and leveraged
resources can make a significant impact. In light of this, it is important to make SAAs and local
JAG recipients aware of several areas of priority that may be of help in maximizing the
effectiveness of the Byrne JAG funding at the state and local level.

OMB No. 1121-0329
Approval Expires 02/28/2013

BJA-2011-3031
As an overall framework for success, we encourage both state and local comprehensive justice planning, bringing all of the system stakeholders together, including law enforcement, courts, prosecutors, defenders, corrections officials, and other stakeholders to create a comprehensive and strategic justice plan to ensure coordination and a more effective justice system.

As a part of this strategic planning process, we strongly encourage state and local planners to consider programs that are evidence-based and have been proven effective; in a difficult budgetary climate, it is critical that dollars are spent on programs whose effectiveness is proven. However, we recognize that state and local programs can also be excellent laboratories for innovative programs that can be models for other states and localities addressing difficult problems. BJA has made resources available to SAAs and others to provide training and technical assistance in identifying and using evidence-based practices as the outcome of a comprehensive and strategic justice plan in the state or local community. We also strongly encourage SAAs and local recipients to use JAG funding to support, replicate and expand strategic efforts to assess system cost drivers and to make appropriate policy changes that can reduce system costs while not jeopardizing public safety. These efforts include justice reinvestment and court reengineering as well as others.

In addition to these overarching considerations and in addition to our longstanding and unwavering commitment to keeping violent crime at its lowest level in decades, the following priorities represent key areas where we will be focusing nationally and invite each state to join us in addressing these challenges as a part of our JAG partnership.

Counterterrorism and Information Sharing/Fusion Centers
A key priority for DOJ and, indeed, the entire Administration, is effective counterterrorism and terrorism prevention programs. We recognize that state and local law enforcement are critical partners in detecting, identifying, preventing, and disrupting acts of violence against the United States by both domestic and international extremist organizations. Preventing terrorism remains the first goal of DOJ’s strategic plan and remains a priority for BJA. A key priority of the National Strategy on Information Sharing for preventing terrorism includes support for State and Major Urban Area fusion centers (fusion centers) to address gaps in achieving full implementation of Global's Baseline Capabilities for fusion centers. Through the partnership of the U.S. Department of Homeland Security and DOJ the support for these fusion centers also enhances a state’s response to “all crimes” by improving information sharing and coordination with local law enforcement agencies.

Evidence-Based Programs or Practices
OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence (generally obtained through one or more outcome evaluations). Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based.
Economic Crime
As our economy shows signs of recovery, it is essential that we not allow this progress to be thwarted by economic crime, including mortgage fraud, financial crimes, fraud, and intellectual property crimes that threaten our economic growth and stability.

Reentry and Smart Probation
In order to lessen the burden on what has been described as an overreliance on incarceration, it is essential that those who have served time can transition back into the community and into crime-free pro-social lives. To do this, we will emphasize smart and effective approaches to offender reentry and will support statewide and local efforts in justice reinvestment, which reduces costly spending on incarceration and reinvests a portion of the savings into other areas of the justice system without sacrificing accountability.

Indigent Defense
Another key priority area is ensuring that justice is truly done in the criminal justice system—the Attorney General has consistently stressed that the crisis in indigent defense reform is a serious concern of his, a concern which is shared by OJP and BJA. As a former prosecutor and judge, however, the Attorney General is also acutely aware that without adequate funding for the courts, prosecution, problem-solving courts, and other innovative, cost-saving alternatives to incarceration, true justice cannot be achieved.

Children Exposed To Violence
Last, but certainly not least, we must ensure that, in the context of our continued focus on addressing violent crime, children who are exposed to violence are responded to effectively so that these experiences do not risk the futures of these children and do not fuel the cycle of violence.

These priorities and others will be the focus of our efforts during FY 2011, and we invite you as a partner and grantee to join us in our efforts to address these critical issues.

Interoperable Communications
Grantees (including sub-grantees) that are using FY 2011 JAG Program funds to support emergency communications activities should comply with the FY 2011 SAFECOM Guidance for Emergency Communication Grants, including provisions on technical standards that ensure and enhance interoperable communications. Emergency communications activities include the purchase of Interoperable Communications Equipment and technologies such as voice-over-internet protocol bridging or gateway devices, or equipment to support the build out of wireless broadband networks in the 700 MHz public safety band under the Federal Communications Commission (FCC) Waiver Order. SAFECOM guidance can be found at www.safeecomprogram.gov.

Grantees interested in developing a public safety broadband network in the 700 MHz band in their jurisdictions must adhere to the technical standards set forth in the FCC Waiver Order, or any succeeding FCC orders, rules, or regulations pertaining to broadband operations in the 700 MHz public safety band. The recipient shall also ensure projects support the Statewide Communication Interoperability Plan (SCIP) and are fully coordinated with the full-time Statewide Interoperability Coordinator (SWIC) in the state of the project. As the central coordination point for their state’s interoperability effort, the SWIC plays a critical role, and can serve as a valuable resource. SWICs are responsible for the implementation of the SCIP through coordination and collaboration with the emergency response community. The U.S. Department of Homeland Security Office of Emergency Communications maintains a list of...
SWICs for each of the 56 states and territories. Please contact if you are not familiar with your state or territory’s SWIC. If any future regulatory requirement (from the FCC or other governmental entity) results in a material technical or financial change in the project, the recipient should submit associated documentation, and other material, as applicable, for review by the SWIC to ensure coordination. Please note that for future year solicitations (FY 2012), BJA will require that the SWIC provide approval for changes in interoperable communication projects. Grantees should establish communications with the SWIC in their state or territory in the near future in order to ensure seamless coordination on all projects going forward.

Grantees (and sub-grantees) should provide a listing of all communications equipment purchased with grant award funding (plus the quantity purchased of each item) to their assigned BJA State Policy Advisor once items are procured during any periodic programmatic progress reports.

Responsibilities

The Chief Executive Officer (CEO) of an eligible unit of local government or other officer designated by the CEO must submit the application for JAG funds. A unit of local government receiving a JAG award will be responsible for the administration of the funds including: distributing the funds; monitoring the award; submitting quarterly financial status (SF-425) and performance metrics reports and annual programmatic reports; and providing ongoing oversight and assistance to any subrecipients of the funds.

Length of Awards

Awards are made in the first fiscal year of the appropriation and may be expended during the following 3 years, for a total grant period of 4 years. Extensions beyond this period may be made on a case-by-case basis at the discretion of the Director of BJA and must be requested via the Grants Management System (GMS) no less than 30 days prior to the grant end date.

Administrative Funds

A unit of local government may use up to 10 percent of the award, plus any interest accrued, for costs associated with administering JAG funds.

Disparate Certification

A disparate allocation occurs when a city or municipality is allocated one-and-one-half times (150 percent) more than the county, while the county bears more than 50 percent of the costs associated with prosecution or incarceration of the municipality’s Part 1 violent crimes. A disparate allocation also occurs when multiple cities or municipalities are collectively allocated four times (400 percent) more than the county, and the county bears more than 50 percent of the collective costs associated with prosecution or incarceration of each municipality’s Part 1 violent crimes.

Jurisdictions certified as disparate must identify a fiscal agent that will submit a joint application for the aggregate eligible allocation to all disparate municipalities. The joint application must determine and specify the award distribution to each unit of local government and the purposes for which the funds will be used. When beginning the JAG application process, a Memorandum of Understanding (MOU) that identifies which
jurisdiction will serve as the applicant/fiscal agent for joint funds, must be completed, and signed by the Authorized Representative for each participating jurisdiction. The signed MOU should be attached to the application. For a sample MOU, go to www.ojp.usdoj.gov/BJA/grant/iaq11/11JAGMOU.pdf.

Governing Body Review

The applicant agency (fiscal agent in disparate situations) must make the grant application available for review by the governing body (or to the organization designated by the governing body) not fewer than 30 days before the application is submitted to BJA.

Public Comment

The applicant agency (the fiscal agent in disparate situations) must include a statement that the application was made public and that, to the extent of applicable law or established procedure, an opportunity to comment was provided to citizens and to neighborhood or community-based organizations.

Budget Information

Match Requirement
While match is not required with the JAG Program, match can be used as an effective strategy for states and units of local government to expand justice funds and build buy-in for local criminal justice initiatives.

Supplanting

Federal funds must be used to supplement existing funds for program activities and cannot replace or supplant nonfederal funds that have been appropriated for the same purpose. Supplanting is prohibited under JAG. Please see BJA’s JAG web page and the updated JAG FAQs for examples of supplanting.

Trust Fund

Award recipients may drawdown JAG funds in advance. To do so, a trust fund must be established in which to deposit the funds. The trust fund may or may not be an interest-bearing account. If subrecipients draw down JAG funds in advance, they also must establish a trust fund in which to deposit funds. This trust fund requirement only applies to direct JAG award recipients as well as subrecipients that are not on a reimbursement basis.

Prohibited Uses

No JAG funds may be expended outside of JAG purpose areas. Even within these purpose areas, however, JAG funds cannot be used directly or indirectly for security enhancements or equipment for nongovernmental entities not engaged in criminal justice or public safety. Nor may JAG funds be used directly or indirectly to provide for any of the following matters unless BJA certifies that extraordinary and exigent circumstances exist, making them essential to the maintenance of public safety and good order:
• Vehicles (excluding police cruisers), vessels (excluding police boats), or aircraft (excluding police helicopters).
• Luxury items.
• Real estate.
• Construction projects (other than penal or correctional institutions).
• Any similar matters.

*For information related to requesting a waiver to use funds for any prohibited item, please refer to the updated JAG FAQs on BJA’s JAG web page.

Reporting Requirements

Once an award is accepted, award recipients must submit quarterly financial status (SF-425) and annual performance reports through GMS.

In addition, applicants who receive funding under this solicitation must provide data that measures the results of their work. Please refer to “Performance Measures” below for further information.

Performance Measures

To assist in fulfilling the Department’s responsibilities under the Government Performance and Results Act of 1993 (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measures the results of their work. Quarterly performance metrics reports must be submitted through BJA’s Performance Measurement Tool (PMT) website: www.bjaperformancetools.org. The performance measure can be found at: www.bjaperformancetools.org/help/ARRAJAGandJAGCombinedIndicatorGrid.pdf.

All JAG recipients should be aware that BJA is currently considering changes to the JAG performance reporting processes, including measures. While state administering agencies will play a role in the process, recipients are advised that the reporting requirements noted above may be subject to modification through this process.

Submission of performance measures data is not required for the application. Instead, applicants should discuss in their application their proposed methods for collecting data for performance measures. Please refer to the section “What an Application Must Include” (below) for additional information.

Note on project evaluations: Applicants that propose to use funds awarded through this solicitation to conduct project evaluations should be aware that certain project evaluations (such as systematic investigations designed to develop or contribute to generalizable knowledge) may constitute “research” for purposes of applicable DOJ human subjects protections. However, project evaluations that are intended only to generate internal improvements to a program or service, or are conducted only to meet OJP’s performance measure data reporting requirements likely do not constitute “research.” Applicants should provide sufficient information for OJP to determine whether the particular project they propose would either intentionally or unintentionally collect and/or use information in such a way that it meets the DOJ regulatory definition of research.
Research, for the purposes of human subjects protections for OJP-funded programs, is defined as, “a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge” (28 C.F.R. § 46.102(d)). For additional information on determining whether a proposed activity would constitute research, see the decision tree to assist applicants on the “Research and the Protection of Human Subjects” section of the OJP Other Requirements for OJP Applications” web page (www.ojp.usdoj.gov/funding/other_requirements.htm). Applicants whose proposals may involve a research or statistical component also should review the “Confidentiality” section on that web page.

Notice of New Post-Award Reporting Requirements

Applicants should anticipate that all recipients (other than individuals) of awards of $25,000 or more under this solicitation, consistent with the Federal Funding Accountability and Transparency Act of 2006 (FFATA), will be required to report award information on any first-tier subawards totaling $25,000 or more, and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the reporting requirements should it receive funding. Reports regarding subawards will be made through the FFATA Subaward Reporting System (FSRS), found at www.fsrs.gov/.

Please note also that applicants should anticipate that no subaward of an award made under this solicitation may be made to a subrecipient (other than an individual) unless the potential subrecipient acquires and provides a Data Universal Numbering System (DUNS) number.

How to Apply

Applications are submitted through OJP’s Grants Management System (GMS). GMS is a web-based, data-driven computer application that provides cradle to grave support for the application, award, and management of awards at OJP. Applicants must register in GMS for each specific funding opportunity and should begin the process immediately to meet the GMS registration deadline, especially if this is the first time using the system. Complete instructions on how to register and submit an application in GMS can be found at www.ojp.usdoj.gov/gmscbtl. If the applicant experiences technical difficulties at any point during this process, please e-mail or call 888–549–9901 (option 3), Monday–Friday from 6:00 a.m. to midnight eastern time, except federal holidays. OJP highly recommends that applicants start the registration process as early as possible to prevent delays in submitting an application package by the specified application deadline.

All applicants should complete the following steps:

1. **Acquire a DUNS number.** A DUNS number is required to submit an application in GMS. In general, the Office of Management and Budget requires that all applicants (other than individuals) for federal funds include a DUNS (Data Universal Numbering System) number in their application for a new award or renewal of an existing award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life.
cycle. Obtaining a DUNS number is a free, one-time activity. Obtain a DUNS number by calling Dun and Bradstreet at 866-705-6711 or by applying online at www.dnb.com. A DUNS number is usually received within 1-2 business days.

2. **Acquire or renew registration with the Central Contractor Registration (CCR) database.** OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Please note, however, that applicants must **update or renew their CCR registration annually** to maintain an active status. Information about CCR registration procedures can be accessed at www.ccr.gov.

3. **Acquire a GMS username and password.** A new user must create a GMS profile by selecting the “First Time User” link under the sign-in box of the GMS home page. For more information on how to register in GMS, go to www.ojp.usdoj.gov/gmscbt/.

4. **Verify the CCR registration in GMS.** OJP requests that all applicants verify their CCR registration in GMS. Once logged into GMS, please click the “CCR Claim” link on the left side of the default screen. Click the submit button to verify the CCR registration.

5. **Search for the funding opportunity on GMS.** After logging into GMS or completing the GMS profile for username and password, go to the “Funding Opportunities” link on the left side of the page. Please select the Bureau of Justice Assistance and the Edward Byrne Memorial Justice Assistance Grant (JAG) Program—Local Solicitation.

6. **Register by selecting the “Apply Online” button associated with the solicitation title.** The search results from step 5 will display the solicitation title along with the registration and application deadlines for this funding opportunity. Please select the “Apply Online” button in the “Action” column to register for this solicitation and create an application in the system.

7. **Submit an application consistent with this solicitation by following the directions in GMS.** Once submitted, GMS will display a confirmation screen stating the submission was successful. **Important:** In some instances, an applicant must wait for GMS approval before submitting an application. Applicants are urged to submit the application at **least 72 hours** prior to the due date of the application.

**Experiencing Unforeseen GMS Technical Issues**

If an applicant experiences unforeseen GMS technical issues beyond the applicant’s control that prevent submission of its application by the deadline, the applicant must contact the Bureau of Justice Assistance Programs Office staff **within 24 hours after the deadline** and request approval to submit the application. At that time, BJA Programs Office staff will instruct the applicant to submit specific information detailing the technical difficulties. The applicant must e-
mail: a description of the technical difficulties, a timeline of submission efforts, the complete
grant application, the applicant DUNS number, and GMS Help Desk tracking number(s)
received. After the program office reviews all of the information submitted, and contacts the
GMS Help Desk to validate the technical issues reported, OJP will contact the applicant to either
approve or deny the request to submit a late application. If the technical issues reported cannot
be validated, the application will be rejected as untimely.

The following conditions are not valid reasons to permit late submissions: (1) failure to begin the
registration process in sufficient time, (2) failure to follow GMS instructions on how to register
and apply as posted on its Web site, (3) failure to follow all of the instructions in the OJP
solicitation, and (4) technical issues experienced with the applicant’s computer or information
technology (IT) environment.

Notifications regarding known technical problems with GMS, if any, are posted at the top of the

What an Application Must Include

This section describes what an application is expected to include and sets out a number of
elements. Applicants should anticipate that failure to submit an application that contains all of
the specified elements may negatively affect the review of the application and, should a decision
nevertheless be made to make an award, will result in the inclusion of special conditions that
preclude access to or use of award funds pending satisfaction of the conditions.

OJP strongly recommends use of appropriately descriptive file names (e.g., “Program
Narrative,” “Budget and Budget Narrative,” “Memoranda of Understanding,” etc.) for all required
attachments.

1. Application for Federal Assistance (SF-424)
   The SF-424 is a standard form required for use as a cover sheet for submission of pre-
   applications, applications, and related information. Grants.gov and GMS take information
   from the applicant’s profile to populate the fields on this form.

2. Program Narrative
   Applicants must submit a program narrative that generally describes the proposed program
   activities for the four year grant period. The narrative must outline the type of programs to be
   funded by the JAG award and provide a brief analysis of the need for the programs.
   Narratives must also identify anticipated coordination efforts involving JAG and related
   justice funds. Certified disparate jurisdictions submitting a joint application must specify the
   funding distribution to each disparate unit of local government and the purposes for which
   the funds will be used.

   Failure to submit this required information will result in an application being returned
   in the Grants Management System (GMS) for inclusion of the missing information OR
   the attachment of a withholding of funds special condition at the time of award.

3. Budget and Budget Narrative
   Applicants must submit a budget and budget narrative outlining how JAG funds, including
   administrative funds if applicable, will be used to support and implement the program. This
   narrative should include a full breakdown of administrative costs, as well as an overview of
how funds will be allocated across approved JAG purpose areas. Applicants should utilize the following approved budget categories to label the requested expenditures: Personnel, Fringe Benefits, Travel, Equipment, Supplies, Consultants/Contracts, and an Other category. For informational purposes only, a sample budget form may be found at www.ojp.usdoj.gov/funding/forms/budget_detail.pdf. Failure to submit this required information will result in an application being change requested in the Grants Management System (GMS) for inclusion of the missing information OR the attachment of a withholding special condition at the time of award if time does not permit for a change request process.

Failure to submit this required information will result in an application being change requested in the Grants Management System (GMS) for inclusion of the missing information OR the attachment of a withholding of funds special condition at the time of award.

4. Review Narrative
Applicants must submit information documenting that the date the JAG application was made available for review to the governing body, or to an organization designated by that governing body, on a date not less than 30 days before the application was submitted to BJA. The attachment must also specify that an opportunity to comment was provided to citizens to the extent applicable law or established procedures make such opportunity available. Failure to submit this required information will result in an application being change requested in the Grants Management System (GMS) for inclusion of the missing information OR the attachment of a withholding special condition at the time of award if time does not permit for a change request process.

Failure to submit this required information will result in an application being returned in the Grants Management System (GMS) for inclusion of the missing information OR the attachment of a withholding of funds special condition at the time of award.

5. Abstract
Applicants must provide an abstract that includes the applicant's name, title of the project, goals of the project, and a description of the strategies to be used. In addition, above or below the abstract narrative, applicants must identify up to five project identifiers that would be associated with proposed project activities. The list of all identifiers can be found at www.ojp.usdoj.gov/BJA/grant/jag11/JAGIdentifiers.pdf. The abstract must not exceed a half-page, or 400-500 words.

Failure to submit this required information will result in an application being returned in the Grants Management System (GMS) for inclusion of the missing information OR the attachment of a withholding of funds special condition at the time of award.

6. Tribal Authorizing Resolution (if applicable)
If an application is being submitted by either (1) a tribe or tribal organization or (2) a third party proposing to provide direct services or assistance to residents on tribal lands, then a current authorizing resolution of the governing body of the tribal entity or other enactment of the tribal council or comparable governing body authorizing the inclusion of the tribe or tribal organization and its membership should be included with the application. In those instances when an organization or consortium of tribes proposes to apply for a grant on behalf of a tribe or multiple specific tribes, then the application should include a resolution from all tribes that will be included as a part of the services/assistance provided under the grant. A consortium of tribes for which existing consortium bylaws allow action without support from
all tribes in the consortium (i.e., without authorizing resolution or other enactment of each tribal governing body) may submit a copy of its consortium bylaws with the application in lieu of tribal resolutions.

7. Additional Attachments (if applicable)
Jurisdictions certified as disparate must identify a fiscal agent that will submit a joint application for the aggregate eligible allocation to all disparate municipalities. The joint application must determine and specify the award distribution to each unit of local government and the purposes for which the funds will be used. When beginning the JAG application process, a Memorandum of Understanding (MOU) that identifies which jurisdiction will serve as the applicant/fiscal agent for joint funds, must be completed, and signed by the Authorized Representative for each participating jurisdiction. The signed MOU must be attached to the application. For a sample MOU, go to www.ojp.usdoj.gov/BJA/grant/iaq11/11JAGMOU.pdf.

Failure to submit this required information will result in an application being change requested in the Grants Management System (GMS) for inclusion of the missing information OR the attachment of a withholding special condition at the time of award if time does not permit for a change request process.

8. Other Standard Forms
Additional forms that may be required in connection with an award are available on OJP’s funding page at www.ojp.usdoj.gov/funding/forms.htm. For successful applicants, receipt of funds may be contingent upon submission of all necessary forms. Please note in particular the following forms.

a. Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements (required to be submitted in GMS prior to the receipt of any award funds).

b. Disclosure of Lobbying Activities (required for any applicant that expends any funds for lobbying activities; this form must be downloaded, completed, and then uploaded).

c. Accounting System and Financial Capability Questionnaire (required for any applicant other than an individual that is a non-governmental entity and that has not received any award from OJP within the past 3 years; this form must be downloaded, completed, and then uploaded).

d. Standard Assurances (required to be submitted in GMS prior to the receipt of any award funds).

Review Process
OJP is committed to ensuring a fair and open process for awarding grants. The Bureau of Justice Assistance reviews the application to make sure that the information presented is reasonable, understandable, measurable, and achievable, as well as consistent with the solicitation.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final grant award decisions will be made by the Assistant Attorney General (AAG).
Additional Requirements

Applicants selected for awards must agree to comply with additional legal requirements upon acceptance of an award. We strongly encourage you to review the information pertaining to these additional requirements prior to submitting your application. COUNCIL COMMUNICATION

Date: July 5, 2011
Agenda Item: 11 c i
Subject: Resolution extending the Temporary Suspension or Moratorium on the Enforcement of Selected Provisions the Englewood Municipal Code Pertaining to Banners, Portable Signs and Murals

Initiated By: Community Development Department
Staff Source: Tricia Langon, Senior Planner

COUNCIL GOAL AND PREVIOUS COUNCIL ACTION

City Council approved Resolution No. 76, Series of 2009, on October 5, 2009, establishing a temporary suspension or moratorium on enforcement of certain sections of the Englewood Municipal Code 2000 dealing with banners and portable signs. Council also approved Resolution No. 28, Series of 2010, on February 1, 2010, establishing a temporary suspension or moratorium on enforcement of the discretionary approval process related to wall murals. Council combined the two moratoria (banner/portables and murals) into a joint action and extended each moratorium in 2010 under Resolution No. 69, Series 2010. Both moratoria were extended earlier this year under Resolution No. 5, Series of 2011. The joint resolution is scheduled to expire on August 1, 2011.

RECOMMENDED ACTION

In order to extend the current moratorium on enforcement, a resolution approving such an extension needs to be adopted. The attached resolution extends the enforcement moratorium for six months, to February 1, 2012.

BACKGROUND, ANALYSIS, AND ALTERNATIVES IDENTIFIED

In early 2010 the Planning and Zoning Commission began analysis of sign code regulations issue and discussion of potential amendments. Sign code efforts were delayed by the necessity to adopt floodplain amendments to meet Federal Emergency Management Agency updates by the end of 2010. To date in 2011 the Commission reviewed initial drafts of several sections of the proposed sign code including administration, prohibited and exempt signs, and sign specifications. Larger work topics yet to be started include: standards for different zone districts, sign materials, temporary and electronic signage. It is anticipated that completion of these areas and initial stakeholder meetings could be finished by the end of the year.

Final drafting of the new Sign Code and the formal adoption process is anticipated to take an additional six months and be completed by early summer 2012. The moratorium extension provides time to complete proposed sign code amendments and begin the adoption process.

FINANCIAL IMPACT

There are no financial impacts to the City as a result of adopting this Resolution.

Resolution
RESOLUTION NO. _____
SERIES OF 2011

WHEREAS, the City of Englewood has spent a great deal of money and effort promoting its downtown area as a shopping destination and a cultural and artistic venue; and

WHEREAS, the Colorado Court of Appeals has found the requirement for City Manager review and approval of certain types of signs is unconstitutional; and

WHEREAS, instead of special review and approval those signs listed in 16-6-13(K)(3)(b), murals will continue to be reviewed as a regular sign permit and subject to the review times specified for all other signs; and

WHEREAS, the City Council has directed staff to review and revise, if necessary, provisions of the Sign Code concerning the use and display of wall murals; and

WHEREAS, it has been brought to Council’s attention that some businesses in Englewood feel the Unified Development Code does not adequately address the use of banners and portable signs in relation to the remainder of the Sign Code; and

WHEREAS, staff will need sufficient time to review and coordinate recommendations relating to the provisions in the Code; and

WHEREAS, City Council has deemed it necessary to coordinate the review of the Unified Development Code and found it appropriate to temporarily suspend enforcement of select provisions of the sign Code review by the staff and City Council by the passage of Resolution No. 76, Series of 2009; Resolution No. 3, Series of 2010; Resolution No. 28, Series of 2010 and Resolution No. 32, Series of 2010; Resolution No. 69, Series of 2010; and Resolution No. 5, Series of 2011; and

WHEREAS, extending the moratorium would continue to temporarily stop enforcement of those sections; and

WHEREAS, any review or revision to the Unified Development Code will help protect the public health, safety and welfare by preserving a safe, healthy, and sound environment within the City; and

WHEREAS, the City Council finds that an additional six month moratorium or temporary suspension of the enforcement of certain provisions of the Englewood Municipal Code 2000
pertaining to wall murals; banners and portable signs and the discretionary approval process is necessary to implement and begin review of the Unified Development Code; and

WHEREAS, after a review of the effect of the moratorium relating to signs on the community, the recommendation may be to keep the Code as it currently exists so any person who purchases, erects or maintains a sign subject to this moratorium during the moratorium period in contravention of the existing Sign Code will do so at the risk of being subject to enforcement at the termination of the six month moratorium;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ENGLEWOOD, COLORADO, THAT:

Section 1. The City Council of the City of Englewood, Colorado recommends the City Manager extend a moratorium or temporary suspension on the enforcement of the Englewood Municipal Code 2000 pertaining to banners and portable signs; the discretionary approval process by the City Manager or Designee for signs under 16-6-13(K)(3)(b) and 16-6-13(K)(4) E.M.C.; and the provisions pertaining to wall murals through February 1, 2012.

Section 2. All signs, even those subject to this moratorium, shall still be required to comply with 16-6-13(N) Prohibited, Hazardous, and Abandoned Signs as well as 16-6-13(M) Maintenance.

Section 3. The City Council finds the provisions of this Resolution are temporary in nature and are intended to be replaced by subsequent legislative enactment so that the moratorium or temporary suspension as specified in this Resolution should terminate on February 1, 2012.

ADOPTED AND APPROVED this 5th day of July, 2011.
