Motion carried.
6. **Recognition of Scheduled Public Comment**

There were no scheduled visitors.

7. **Recognition of Unscheduled Public Comment**

   (a) Randy Egan, an Englewood resident, addressed City Council regarding the RTD parking lot meeting and the notification flyer. He was glad that the flyer went out from someone other than him. He questioned the personal view of the RTD spokesperson and whether it was RTD’s viewpoint or just the spokesperson’s viewpoint. Mr. Egan still seeks other options for this parking lot. Mr. Egan would like to represent the City on a board, if necessary or if available, to discuss other options.

   (b) Douglas Lee, an Englewood apartment building owner, addressed City Council regarding the lack of communication regarding the downzoning of the properties on Grant and Sherman and the unacceptability of the description of the property as being so “run down” that it was inhospitable to hospital professionals. He disagrees that the property is “run down”, approaching a ghetto, and actually rents 3 units to some Swedish Hospital workers, so he doesn’t understand some of the statements being made. He felt that the information is inaccurate and outdated. He doesn’t understand the vacancy issue as his building is fully occupied. They have renovated 16 of 17 units. This is his family business. Downzoning would make his property nonconforming.
