I wanted to say a big thank you for your Halloween event on Saturday. We were looking for something new to do this year and my nephew told us about it, he has gone many times. We have a 9 year old son and of course we all love Halloween. We were impressed with your many options and happy about everyone we dealt with. Everyone that was working there was SO NICE! From the adults to the teens everyone was kind, fun and great to be around. The prices were very resonable as well. I am already looking forward to next year. Thank you again for such a great event for kids and adults. Have a beautiful day! Rochelle Thompson

Along with the incentive policy, City Council will also consider adoption of a policy concerning fees in lieu of park land dedication. Council formally adopted by resolution the Economic Development Incentive Policy and the Parks Dedication Fee-in-lieu Dedication Policy on September 4.
