7. Recognition of Unscheduled Public Comment

[Clerk's Note: AGENDA ITEM 7 (a) WAS MOVED FORWARD. See page 2.]

(b) Alex Habenicht, an Englewood resident, spoke about the decision making process regarding the Depot. She provided a historical background regarding the Depot. She is dismayed that the Depot is being sold. We should be proud of that building. Council should direct staff to find a way to save the Depot for the community as it is a part of our heritage. Ms. Habenicht cares about history and community. She recommends that Council go back to the drawing board and see how it can be kept for the people.

(c) Elaine Hults, an Englewood resident, believes that there are those who have worked hard to preserve the Depot for displaying history and artifacts. The purpose of the Depot hasn’t changed over the years. The Depot has played an important role in the development of the area. Let’s work together.

(d) Beverly Cummins, an Englewood resident, said please think about the voting citizen, the petitions that were signed, and who wanted the Englewood Historic Preservation Society to win the bid. Why should they share their artifacts with the printer or a poetry group? Depot Park belongs to the citizens. She said this is political.

(e) Jason Rollinger, an Englewood resident, said he was asked to read a letter he emailed last week. He supports the Englewood Historic Preservation Society. He said we must keep the train depot for trains, as it was our most efficient mode of transportation. The train is a large part of why Englewood is where it is. It is the train that gives the citizens of Englewood a continuity of character. It represents part of our heritage. It will draw people interested in trains to our area. It presented a unique opportunity and could do so again in the future. It could capture the imagination of future engineers. It is a train depot and it is our depot. He questioned the wisdom to sell the Depot and lose money. He encourages Council to support the Englewood Historic Preservation Society.

(f) Ida May Nicholl, an Englewood resident, quoted several comments regarding an article written from the Denver Post. She believes that our history must be preserved.

Council responded to Public Comment.
