CITY MANAGER'S NOTES
August 29, 2013

Upcoming Council Meetings
City offices will be closed in honor of Labor Day, Monday September 2, 2013.

City Council will meet on Tuesday, September 3, 2013. An Executive Session will be held at 5:30 p.m. in the City Council Conference Room. The Study Session will begin at 6:00 p.m. in the Community Room. The Regular Meeting will begin at 7:30 p.m. in Council Chambers. The agendas are attached. Sandwiches will be available at 5:00 p.m.

The next meeting will be held on Monday, September 9, 2013.

Informative Memoranda
The following are memoranda in response to City Council’s requests, as well as other informational items.

1. News Release concerning Englewood’s Appeal of the 10th Circuit Court relating to sex offenders and news article.
2. Articles concerning Flood School redevelopment, Robinson Dairy.
4. Memorandum concerning the Project Update.
5. Memorandum concerning the ServiCenter Fund Transfer.
7. Calendar of Events.
8. Tentative Study Session Topics.
9. Minutes from the Nonemergency Employees Retirement Board meeting of May 14, 2013.

Parks and Recreation Department

Everyone continues to work hard during the Englewood Recreation Center’s week of closure for annual maintenance. Projects completions are underway. Projects include replacing two of three boilers, striping gymnasium floor for pickleball, refinishing hardwood flooring, cleaning interior and exterior windows, TRX fitness mounting, steam cleaning carpets, strip and wax all floor tile, disinfect locker rooms and rest rooms, painting and extensive cleaning. The Rec Center will reopen on Tuesday, September 3, 2013. Thank you to Public Works for coordinating this project and all their help this last week.
Pirates Cove will be concluding its 10th season on Labor Day. Even though admissions were lower than 2012 and experienced more weather closures, it was a good season! The train and farm also ended the season and are already making plans for next year.

Belleview Park and Pirates Cove will be hosting Freedom Service Dogs' Annual Freedom Festival and Doggie Plunge at Pirates Cove on Saturday, September 7, 2013 from 8am to 3pm. The event includes a 1k fun run and walk, pet friendly booths, demonstrations, dog contests and close to 1,000 four legged swimmers taking the plunge in Pirates Cove.

Englewood to Appeal Court’s Decision on Sexual Offenders

Englewood, CO: The City of Englewood will appeal the recent court decision to the 10th Circuit Court of Appeals. The City will also contact state legislators to propose legislation to ensure that local governments are permitted to pass ordinances that reasonably protect their citizens.

This issue first became of concern to City Council early in 2006 when the State notified the City that a sexually violent predator was to be placed in an Englewood motel in close proximity of a child day care center. Englewood City Council passed an emergency ordinance prohibiting sexually violent predators and other severe types of sexual offenders from living next to schools, parks, pools and day care centers. That ordinance is codified in Section 7-3-3 of the Englewood Municipal Code.

Last week the Court ruled that Englewood’s ordinance was preempted by State law. Such a finding would allow a felon convicted of having sex with a child while in a position of trust to live next to a City park. The City does not agree that the State has preempted local governments on this issue. State law currently does not address where a sexual offender may live — only that he or she must register. If under the law the State may place a sexually violent predator adjacent to a day care center, then it is not providing adequate protection of our most vulnerable citizens.
Englewood to appeal sex offender law ruling

Flood School reduced to rubble to make way for development

Recently, Englewood's storied Flood Middle School on the southeast corner of Hampden and Broadway was demolished after an asbestos abatement process this summer. The rubble has since been removed to make room for a large residential development.

The school was officially named Mary Louise Flood Junior High years ago, probably in the mid 1950s.

Renee Sitler (taking a photo), a 1962 graduate of Flood School, visited the site to record the events for her three sisters, Joy, Martita and Nancy, all graduates of the school, taking photographs. The original school's name was Englewood Junior High and the name was changed to honor Flood who had been the principal when Sitler attended. The school's mascot was the Pirates.

Flood School closed in 2007 with 300 students. Sinclair Middle School, now named Englewood Middle School, instructs the students from both schools. The property was sold by the Englewood Public School District, for $2 million to Barbury Holdings, one of the developers.

After site work is completed on this 4.5-acre property, developers will begin construction on 300 to 350 rental apartments.
Robinson Dairy closing in November; 40 to lose jobs

Denver's Robinson Dairy will close in November after nearly 130 years in business, a spokesman for parent company Dean Foods Co. confirmed Tuesday.

Dallas-based Dean Foods (NYSE: DF), parent company of Robinson Dairy, is shifting production from Denver-based Robinson to a larger Meadow Gold Dairy facility in Englewood, said spokesman Jamaison Schuler. Dean Foods also owns the Meadow Gold brand.

About 40 Robinson employees will lose their jobs, but another 96 workers will be transferred to the Englewood facility and a "handful" will transfer to a Meadow Gold facility in Greeley, Schuler said.

"We regret the impact that this decision will have on our employees and our community," he said. "The decision to eliminate jobs in any part of our business is never an easy one. We need to improve our supply chain capability, and operating fewer plants will help us streamline our operations."

Employees were told about two weeks ago that the Robinson plant was closing.

FROM 2008: Robinson brothers look back at family dairy's history

Dean Foods closed other U.S. dairy plants earlier this year as part of its "network optimization efforts," Schuler said.
The company will keep the Robinson brand for its food-service customers, but Robinson-branded products in retail stores were changed to the Meadow Gold brand about a year ago, he said.

Louis Robinson bought a farm in Lakewood and started Robinson Dairy in 1885.

In 1963, descendants Edward "Eddie" and Richard "Dick" Robinson bought out the other family owners of the company.

"I started working in high school in the ice cream department and driving a truck," Eddie Robinson recalled in a 2008 interview with the DBJ's Cathy Proctor. "I pulled relief in the summer time, driving up to Empire and Idaho Springs — Vail wasn't even in existence in those days. Out to Black Hawk, Central City, Lookout Mountain. I'd leave the house and it was dark, and I'd come back and it was dark."

Robinson was sold to Dallas-based Suiza Foods in 1999, and two years later, Suiza merged with Dean Foods.

As part of the Sustainable Communities Initiative (SCI) and its commitment to regional planning through the Metro Vision process, the Denver Regional Council of Governments will present the 2013 Fall SCI Consortium Meeting Thursday, Oct. 10. Exploring the topic Planning for Change, the event will feature national and regional speakers discussing current demographic trends in the United States and the region, and how the need to anticipate change is influencing the way in which local and regional planning is conducted.

SCI Consortium members, partners, planners, regional elected officials, business leaders, key stakeholders, and anyone interested in changing demographics and its impact on transit, housing and economic development will want to attend.

A panel of local practitioners involved in housing, economic development, and transportation planning at the practical level will talk about the challenges these demographic changes present. An interactive session will provide an opportunity for participants to help identify strategies that better inform appropriate public policy and planning processes to meet changing demands.

Please mark your calendars and look for more information coming soon.
MEMORANDUM

TO: Gary Sears, City Manager
THROUGH: Rick Kahm, Director of Public Works
FROM: David Henderson, Deputy Public Works Director
DATE: August 28, 2013

SUBJECT: PROJECT UPDATES – Quincy Avenue Closure, Police/Fire Parking Lot, Servicenter Stormwater Improvements, Northwest Greenbelt Playground Project, The Englewood Campus, Concrete Utility Project 2013, Craig Hospital Expansion, Xcel Energy Projects, Kent Place, Street Maintenance Projects 2013, CityCenter Site Development, Englewood McLellan Reservoir Foundation, Air Quality/Energy Savings Projects, GPS in City Vehicles

QUINCY AVE. CLOSURE
Brown Brothers Construction will be installing a storm sewer tap in W. Quincy Avenue. The work will require a three day closure of Quincy between Lipan and Navajo. See the attached notification letter being delivered to neighboring properties.

POLICE/FIRE PARKING LOT
The approved 2013 “Multi Year Capital Project” included funding to repave and correct drainage problems at the Police/Fire parking lot. **Paving and pavement markings in the north lot will be completed this week. The Street Division will return later this fall to repave the two smaller parking lots (southeast visitor lot and east patrol car lot).**

SERVICENTER STORMWATER IMPROVEMENTS
To assure compliance with state and federal requirements for stormwater runoff, Street Division staff is constructing an area to wash trucks, fire equipment, and street sweepers. The area will be isolated from the storm sewer system that goes to the Platte River. This is a short term solution until we can construct a new addition to the Servicenter that incorporates a truck washing station meeting all applicable standards. The Servicenter has included $550,000 in the 2014 budget to accomplish this required improvement. **Staff is reviewing the car wash design proposal. Pending approvals, design work will be initiated over the next couple of weeks.**

NORTHWEST GREENBELT PLAYGROUND PROJECT
Richdell Construction continued work on the project.

THE ENGLEWOOD CAMPUS
Englewood School District continues construction of the new campus on South Logan Street. Lehigh Avenue, west of Clarkson Street has been paved. Staff is monitoring the public right-of-way construction to assure conformance with approved plans and agreements. **Construction of a new softball field in the detention area appears to be substantially complete.**

CONCRETE UTILITY PROJECT 2013
Council approved a motion to award a construction contract to NORAA Concrete Construction for the 2013 project at the Council meeting on April 1st. **NORAA Concrete resumed work on August 19th.**
Approximately two weeks of work remain to complete the program. Questions regarding the program should be directed to the Concrete Utility, 303-762-2360 or concreteutility@englewoodgov.org.

**CRAIG HOSPITAL EXPANSION**
The 3400 block of South Clarkson Street was closed on January 22nd. **Construction of the new campus continued.** Installation of radar speed signs and upgraded pedestrian flashers on Hampden Avenue is complete. **Concrete sidewalk and ramp improvements will be completed by Craig’s contractor over the next couple of weeks.**

**XCEL ENERGY PROJECTS**
**Gas Line Replacement Projects**
Xcel’s contractor, Q3 Contracting, completed potholing for the installation of gas main piping along Union Avenue from Windermere to Clarkson Street. A temporary construction yard has been set up by Q3 on private property in the 4700 block of S. Windermere Street. **Installation of gas piping continues. Street Division and Traffic Engineering crews are monitoring the work on a daily basis.** The work is expected to take about 27 weeks to complete. Updates will be posted on the City’s web site.

**KENT PLACE**
The contractor continued work on the residential apartments.

**STREET MAINTENANCE PROJECTS 2013**
The Street Division will complete the 2013 in-house overlay program by early October. Overlay work is on hold for another week while crews catch up with other street division functions. Updates will be posted on the City’s website.

**CITYCENTER SITE DEVELOPMENT**
**Alexan East and West Parcels**
438 residential units. Alexan’s occupancy level for March, 2013 is 91%. Commercial uses: Let It Bead, Liquor Store, State Farm, Lifetime Family Practice, Cuttin’It Loose, Foothills Physical Therapy, CityCenter Community, Nixon’s Coffee House, Weingarten Realty, and King Liquor Store.

**Parkway Retail / Office Buildings**
Commercial uses: The International House of Pancakes (IHOP), Qdoba, GNC, Supercuts, Nails Center, CityCenter Dental Group, Tableaux Interior Design, Englewood Eyecare, Collective Licensing Int’l, Inc., Quizno’s, “Insurance Company of the West”, Fred Astaire Dance Studio, Wellness Treatment Center, SB Clark Companies, Unifocus, Bartertown Comics, and XL Edge. **CityCenter Dental is renovating the space above IHOP. The project will be on-going until the middle of September.**

**Bally’s Building**
Tenants include Bally’s, “Blondies Fire House Pub and Restaurant”, and MaxFour.

**Retail South of the Parkway**
Tenants: Petco, Ross, Coldstone Creamery, Noodles, Office Depot, and Einstein Bagels. Weingarten Realty has executed a short term lease to Spirit (Halloween Costume Store). They will occupy the old Sports Authority Store and expect to open in September. **Spirit Halloween opened for business this week.**

**Gold Mine Pad**
Tenants include: Jamba Juice, Tokyo Joe’s, and Doctors Express.

**CityCenter Site**
EEFI continues project management of all infrastructure on the site. Staff is monitoring the security, sweeping, snow removal, and day porter services performed under the Common Area Maintenance.
Comcast continued installing new high speed internet infrastructure at CityCenter to serve the Alexan Apartments and Weingarten’s office tenants.

The Piazza Fountain will be turned pink on September 7th in support of Breast Cancer Awareness Month.

**Englewood McLellan Reservoir Foundation (EMRF)**

*PA-84 West*
- The Mike Ward Infiniti dealership opened on Monday, August 29, 2011.
- The Larry Miller Nissan Dealership opened on February 11.

*PA-85 (RTD site)*
- RTD paid the final billing in the amount of $591,836.86. Finance has deposited this money in the LTAR fund.

*PA-85 (Benjamin Franklin Charter School)*
- The Benjamin Franklin Charter School is open.

**Air Quality/Energy Saving Projects**

**Flex Fuel Program**
- Currently, 39 of our fleet vehicles are running on E-85 ethanol fuel. All new replacement vehicles (less than ¾ ton) will be compatible with E-85. Approximately 50 Flex Fuel vehicles will be in our fleet within two years. Currently, the cost of E-85 fuel is approximately $0.40 per gallon less than regular unleaded gasoline. Ten of our fleet vehicles run on Compressed Natural Gas (CNG). 39 on-road vehicles and 23 off-road (construction equipment) run on biodiesel fuel.

**Hybrid Vehicle Purchase**
- Two hybrid vehicles are in service, one in the Fire Department and one in the Building Division.

**“Green” Programs**
- We continue to work with our vendors to expand the Green product line as it becomes available. 90% of our custodial paper supplies are from recycled sources. The Servicenter is now “single-streaming” waste at the Servicenter and a dumpster has been supplied for cardboard only recycling.

**Energy Saving Projects**
- In 2001, the Public Works Traffic Division began an ongoing program to convert traffic signals from incandescent lamps to Light-Emitting-Diode (LED) bulbs. To date, 80% of our City maintained signals have been converted. LED traffic signals use 90% less energy than incandescent lamps, last five times longer, and provide better visibility.

Our Servicenter has received a grant from the Regional Air Quality Commission to install aerodynamic fairings on four Wastewater trailers. The grant covers 50% of the cost (total estimated cost is $6,500 for the four trailers). These fairings will increase fuel mileage by up to 10% (1/2 mile/gallon).

**GPS in Vehicles**
- The City received a grant, through RAQC (Regional Air Quality), to install 37 GPS units in some of our fleet vehicles. Our match to the project is the installation. The Servicenter Garage will install with in-house labor. The GPS units will be installed in Police patrol vehicles, Public Works vehicles, Fire Department equipment, and some Wastewater Treatment Plant vehicles. GPS equipment installation is complete. Police and Fire have gone live with the system and are now able to track emergency vehicle locations 24/7. The system will allow us to track locations, easily obtain information regarding quantities of ice slicer dispensed, monitor idle times, and allow the public to track where plow trucks have been.
ATTENTION

BROWN BROTHERS CONTRACTING WILL BE UPGRADING THE STORM DRAINAGE SYSTEM AT 1315 WEST QUINCY AVENUE. THE WORK WILL REQUIRE CLOSING WEST QUINCY AVENUE BETWEEN LIPAN AND NAVAJO FOR THREE DAYS STARTING WEDNESDAY SEPTEMBER 4TH. THE ACCESS WILL BE CLOSED EXCEPT TO LOCAL TRAFFIC. DETOUR SIGNS WILL BE SET UP FOR ALL OTHER TRAFFIC. THE ROAD WILL BE OPENED AGAIN FOR TRAFFIC ON SATURDAY 7TH. WE APPRECIATE YOUR COOPERATION DURING THIS PROJECT.

IF YOU HAVE ANY QUESTIONS PLEASE CALL CHUCK: 303-505-5371

SUBJECT: SERVICENTER FUND TRANSFER 2014

The existing balance in the Servicenter Fund is $558,184. A reserve balance is required for cash flow and to address unanticipated emergency expenditures. Staff has reviewed the 2014/2015 needs for the Servicenter and is comfortable with an additional $100,000 transfer to the General Fund. This will bring the total 2014 transfer to the General Fund to $300,000, leaving a fund balance of $458,184. With this additional transfer, the Servicenter will still be in a position to complete planned capital improvement projects in 2014, including a new car wash and entry gate.

The Servicenter Fund realizes a profit from working on vehicles owned by other agencies. These transfers to the General Fund are a direct result of our profit from this work. Annually, we collect approximately $155,000 for work on vehicles owned by the City of Sheridan and the City of Cherry Hills Village.

SPECIAL PROJECTS

- **Englewood Light Rail Corridor Plan**
  o A public hearing on the finalized planning document was held on July 16th before the Planning and Zoning Commission. A public hearing before City Council took place on August 19th. Council will vote on a Resolution to adopt the *Englewood Light Rail Corridor Plan* as a supplementary document in support of *Roadmap Englewood: The 2003 Englewood Comprehensive Plan*.
  o **Community Development has submitted an application to DRCOG for a second round of planning funding to explore in greater detail key implementation projects identified in the original Plan.**

- **Development of Acoma/Englewood Parkway**
  o In March, a Request for Proposals was mailed to 42 developers, in addition to three companies responding to the sign placed on the property. Three proposals were received by the April 12 deadline.
  o The Englewood Urban Renewal Authority is currently reviewing the submitted proposals and will schedule meetings with interested developers in the near future to gather more information.
  o EURA has selected two proposals for further consideration. Additional information from each developer is due June 28 and interviews are to be conducted on July 10.
  o The EURA has asked for additional information from the two potential developers, including developing under a ground lease arrangement. Additional information is due July 31 which the Board will review on August 7th. Interviews will be conducted with the two developers on August 14th.
  o **On August 21, the Authority unanimously voted to pursue exclusive negotiations with Medici Communities on the Acoma/Broadway/Englewood Parkway property. City Council will be briefed on the project at the September 3 Study Session.**

ZONING

- **Distilleries, Breweries and Wineries**
  o Distillation of alcohol is currently prohibited in the city (Wineries, brewpubs and microbreweries are allowed in some zones).
  o Planning and Zoning Commission discussed possible changes to the UDC on May 7, 2013 in response to a proposed new craft distillery.
  o A detailed discussion of code changes, including mixed use zones and production limits, was presented to Planning and Zoning on June 4, 2013.
  o Planning and Zoning Commission supported staff recommendations, and
supported conditional uses for distilleries, breweries and wineries with a limit of 10,000 square feet in MU-8-1, MU-8-2 and M-2. No limits are proposed in the I-1 or I-2 districts. Public Hearing is scheduled for July 2, 2013.

- Study Session with City Council scheduled for July 22, 2013
- First Reading of Ordinance planned for August 5, 2013
- Public Hearing was held at the August 19, 2013 City Council meeting, with Second Reading scheduled for September 3.

Home Occupations

- City Council asked staff to research possible changes to the Home Occupations policy in order to allow home businesses in the R-1-A zone.
- Staff presented this issue and proposed code changes to the Planning and Zoning Commission on June 4, 2013.
- Planning and Zoning Commission generally agreed that the topic was worth further discussion at a future meeting.
- Study Session with Planning and Zoning Commission is scheduled for August 6, 2013.
- Public Hearing scheduled for the September 17, 2013 Planning and Zoning Commission meeting.

ART SHUTTLE

- Due to the closure of Clarkson Street, a new shuttle route was implemented on January 22. Signs were relocated and new route maps were printed by Craig Hospital.
- The average ridership for 2012 was 15,852; a 2.7% increase over 2011.
- The average ridership through July 2013 was 15,186.
- On May 20, 21, and 23, 2013, art Shuttle Stop 10 was temporarily relocated from the southwest corner of East Girard Avenue and South Clarkson Street to the southeast corner of East Girard Avenue and South Clarkson Street to accommodate construction at Craig Hospital.

BUSINESS NEWS

Arapahoe County Enterprise Zone

Approval of Minutes

MR. PATEL MOVED TO APPROVE THE MINUTES OF THE FEBRUARY 26, 2013 REGULAR MEETING. MR. MOORE SECONDED.

Ayes: Gryglewicz, Hagan, Moore, Patel, Woodward
Nays: None
Absent: Jordan

The motion carried.

Innovest Portfolio Solutions, LLC

Ms. Dominguez reviewed the Long-Term Outlook for the Economy and Capital Markets; she highlighted events that impacted the markets and overall economic conditions.

Ms. Dominguez reviewed the Asset Allocation Study. She reviewed the reasoning behind the need for the various funds. The study illustrates other asset mixes that might improve the return on the investments. The current return is 6.49%. This is less than the actuarial assumption of 7.5%. The potential asset mixes presented could potentially provide an improved return, but increase the level of risk.

The Board discussed allocation options and determined that it would not be appropriate to base investment allocation decisions solely on meeting the actuarial rate of return assumption. Discussion ensued regarding the need to bring the actuarial assumption more in-line with realistic projected returns. The Board agreed to evaluate actuarial assumptions with review of the actuarial report later in the meeting. The Board determined not to change the asset allocation mix because of the potential of increasing the risk level.

Mr. Huggins presented the first quarter portfolio review and the analysis of each fund in the Plan. The Innovest report, page 16 has a new peer group for the comparison consisting of plans of less than $100 million and less than a 50% equity allocation. The past reports used a peer group of less than $100 million but did not have the asset allocation of less than 50% equity. The prior peer group for comparison was not the best choice because the plan was compared against higher risk and higher equity allocations.

Mr. Huggins reviewed the Manager Report Card noting that Innovest has concerns with the Janus Perkins Mid Cap Value Strategy in the areas of Style Consistency, Asset Base, Performance and Overall categories. Nine of the top ten holdings are large cap stocks and are not performing as a Mid Cap investment. The JP Morgan Highbridge Dynamic Commodities Strategy has a significant underperformance which is a concern.

The Board agreed that Innovest do a search and provide candidates at the next meeting to consider as replacement for Janus Perkins Mid Cap Value Strategy and the JP Morgan Highbridge Dynamic Commodities Strategy at the next meeting.
Ms. Hunt reviewed the draft of the January 1, 2013 Actuarial Report. The study indicates a total required contribution of 21.7% of pay beginning 2014. The employee's portion is three percent and the City will contribute 18.7%. Ms. Hunt explained this is the last year of the five year smoothing that includes the capital losses from 2008. This should have a positive impact on the actuarial values for the January 2014 report. She also commented that contributions have been less than expected because of a large number of unexpected DROP and other retirements creating fewer active participants as well as lower salary increases and retirees living longer. The amortization period has now been ratcheted down to ten years. She also commented that with members entering the DROP their positions are not filled with new participants until the DROP employee terminates employment. After the participant’s three year DROP, what typically occurs is positions are replaced with new employees and contributions which will aid with funding as well as a lower salary for benefit accrual.

Ms. Hunt explained the variance between actuarial and market values. The accrued liabilities increased by more than expected because of the higher number of members entering the DROP and retiring. She said that the percent of pay contribution requirement from 16.3% to 21.7% may seem higher because there are fewer active participants. The City required dollar contribution is fairly close to the City’s prior year’s requirement.

Ms. Hunt presented the contribution projection study included with the actuarial report.

Discussion ensued related to the need to update the mortality tables, considering a lower assumed rate of return and adjusting the inflation rate for salary increases. Ms. Hunt said that the plan is too small to use as a basis for determining an updated mortality table and a larger metropolitan population should be used. GRS prepares actuarial reports for the Denver metropolitan area and those reports will be completed within a month. These reports are a better basis for determining which year's mortality table is a better fit for the Plan.

The Board discussed past efforts to improve the Plan’s funded position by shortening the amortization period, not taking on too much risk, adjusting inflation factors to an assumption closer to actual and yet is not increasing the funding levels to an improved position.

The Board agreed to have GRS perform studies of reducing the investment return assumption from 7.5% to 7 percent, lowering the salary inflation rate to 2.5% and updating the mortality tables. The Study will layer each assumption respectively.

MR. MOORE MOVED TO APPROVE THE JANUARY 1, 2013 ACTUARIAL REPORT WITH THE PROVISION THAT A SENSITIVITY ANALYSIS BE COMPLETED PRIOR TO THE NEXT VALUATION. MR. GRYGLEWICZ SECONDED.

Ayes: Gryglewicz, Hagan, Moore, Patel, Woodward
Nays: None
Absent: Jordan

The motion carried.

Ms. Dominguez left at 4:30 p.m.

Discussion Regarding Retiree Mortality Table Corrections

The Plan’s legal counsel indicated that the benefits be corrected by providing notice to the affected participants and adjusting one month’s benefit with future benefits being the correct amount.

Discussion ensued relating to the various increases or decreases in benefit.

Mr. Moore inquired, since adjustments are not substantial, perhaps a correction could be made that does not require recouping overpayments from the retirees.

The Board discussed various adjustment options that may be considered to correct these calculations.

MR. MOORE MOVED TO APPROVE A CONDITIONAL MOTION WITH APPROVAL BY THE CITY ATTORNEY ALLOWING FOR THE RETIREES TO HAVE PAYMENTS CHANGED TO THE CORRECT BENEFIT AND RETROACTIVE ADJUSTMENTS TO THOSE WITH INCREASES AND NO REDUCTION OF BENEFITS FOR THOSE WITH DECREASES, OR IF NOT APPROVED BY THE CITY ATTORNEY, THE ADJUSTMENTS WILL BE AS OUTLINED ON THE HANDOUT. MR. GRYGLEWICZ SECONDED.

Ayes: Gryglewicz, Moore, Patel, Woodward

Non-Emergency Employees Retirement Board Meeting
Nays: None

Abstention: Hagan
The motion carried.

Review of Forms for Board Approval

a. Irrevocable Election to Transfer Out of and Waive Claims Under the City of Englewood NonEmergency Employees Retirement Plan
b. Notification of Option to Transfer Out of the NonEmergency Employees Retirement Plan

Mr. Gryglewicz noted the forms were approved by the Board's pension attorney and are necessary for the Plan. The forms were discussed at a previous meeting.

MR. MOORE MOVED TO APPROVE THE BOTH FORMS. MR. GRYGLEWICZ SECONDED.

Ayes: Gryglewicz, Hagan, Moore, Patel, Woodward
Nays: None
Absent: Jordan

The motion carried.

Retirement Approvals and Notifications:

d. Consideration of Retirement Benefit for Marie Dymek
e. Notification of DROP Application from Randy Pierce
f. Notification of the Death of Joseph Pershin, Retiree
g. Notification of the Death of Mary Hitchcock, Retiree’s Beneficiary

Ms. Wescoat noted there is one change to the spreadsheet. Mr. Stowe has not completed the paperwork, so his benefit will be approved at the next Board meeting after the paperwork is completed.

MR. GRYGLEWICZ MOVED TO APPROVE THE ITEMS LISTED ON THE BENEFIT APPROVALS AND NOTIFICATIONS WITH THE CORRECTION CHANGING MR. STOWE’S ITEM TO A BENEFIT NOTIFICATION. MR. PATEL SECONDED.

Ayes: Gryglewicz, Moore, Patel, Woodward
Nays: None
Absent: Jordan
Abstention: Hagan

The motion carried.

Colorado Public Plan Coalition Annual Conference August 21-23, 2013

The Colorado Public Plan Coalition Annual Conference will be in Colorado Springs. Ms. Wescoat needs notification not later than July 15, 2013, for anyone wishing to attend.

MR. GRYGLEWICZ MOVED TO APPROVE THE EXPENSES OF ANY BOARD MEMBER ATTENDING THE COLORADO PUBLIC PLAN COALITION ANNUAL CONFERENCE IF NOTIFICATION IS PROVIDED TO MS. WESCOAT PRIOR TO JULY 15, 2013. MR. MOORE SECONDED.

Ayes: Gryglewicz, Hagan, Moore, Patel, Woodward
Nays: None
Absent: Jordan

The motion carried.
The motion carried.
